God is the 'rewards of those' diligently seek Him. Seeking God and His Kingdom is the first endeavor of man as Jesus told His disciples. We are told by Christ that we cannot worship both God and mammon. Mammon signifies the system or currency of the Kosmos or world order. Man must decide for one system and against the other. The conflict is between carnal mind (psychosisma) and Spiritual mind (the new creature).

The problem today with most men is that there is an attempt encouraged by education, church, politics, the media, and the system in general to convince them that they can exist happily living in both the realm of Spirit and carnal mind. Jesus instructed His followers that they would be hated of the world but not of the world. He states in John 17:5: I have sent them into the world. While I was with them in the world, I kept them in thy name. I pray for them: I pray not for the world. But that thou shouldest keep them from the evil.

In her recent pronouncements regarding premarital sex, marijuana and women's lib, Mrs. Betty Ford has indicated that she has experienced a compromise in her soul between carnal mind and Spirit. Miss Ford has embraced satanism distorts Scriptural truth and having embraced evil has gone on from lesser to greater and greater sin to the point of attempting to assassinate the President. Mrs. Ford even accepts this as something one must learn to live with. Apparently nothing is seen as being sinful in these days and although we see ourselves in days of great affluence living at times in a veritable harlotry on earth, no one gives the ultimate answer as to what is wrong and what to do about it.

We have adopted not only an attitude of detente with Russia, China, and with every other anti-Christ system on earth including Israel, but we have accepted detente with Satan himself. No sexual aberration is sufficient to keep a man out of the pulpit of some churches. Television is more and more profane and vulgar with promise of increasingly immoral scenes to be viewed by gullible, non-discerning, unregenerate Americans. Kruschev was right when he said: Some of these days America will fall into our hands like an over-ripe fruit.

In the schools of the Tampa area in recent days I have heard of teachers promoting transcendental meditation, spiritualism, mind control, and occultism. Evolution is taught as fact and man is related by teachers to ape and not to God. Educational materials are increasingly vulgar and sexually and racially oriented. The great, the beautiful, the inspiring, the soul-elevating are displaced by the coarse, the bleak and the sordid. Music, poetry, prose, and all the creative, lovely aspects of man's mind have been subverted to the rancid, the harsh and un-inspiring. Is it then strange that youth should say, If this is the life we are offered, why try? Why go this way? Why go to church? Why go to school? Why not take drugs? Why not drop out?

And we, with cocktails in hand and mind full of our own "weltenschmerz" do not hear their cry and are blind to their plight. Miss Fromme, Manson, Nyberg the accused satan-slayer, Oswald, Jack Ruby, Sirhan Sirhan, Watergate, the Chicago Seven—all of these have been created by us—the world in us. And we will create worse as long as we fail to sever our own selves from the satanic Kosmos which we cling to with great binding energy even as we espouse Christianity, democracy, peace, detente, brotherly love. Will there be Poikol as the Polish banners proclaim (Peace)? No—as Charles Malik pointed out, the vast "Krinein" (separating) will go on in each of us until Jesus comes. We are indeed being forced to decide.

So I must decide: for the Bible for the Constitutional Republic, for the Book of Common Prayer (1928); for the Constitution (unmodified), for the Church and faith once delivered to the saints, for the New Testament Christianity, for prayer in school, in hospitals, in state and national government, for armed services, and in law. For education of the 1930-40 variety for real censorship of movies and television, for morality, temperance and patriotism for the traditional American home. For moral Christian non-government controlled health care, for getting the USA back into Christian control, for a Christian press, Christian radio and television. For a strong, moral, patriotic Army, Navy, Air and Marine Corps and for honorable law enforcement. I must vote against (in my own life) anything contrary to the above. I must hold in question anything which will weaken the home, the church or America.

GIVING IS GODLY

Giving is godly and cheerful giving is an activity which God loves. When God gave His own Son to die for you and me that we might have the way to life eternal He demonstrated how great a Giver He is. We are told that we are created in His image. Also, we are told that we shall be like Him. If we are truly of God we are by our very nature in Jesus a giving people. Here at CMF we thank our many friends for giving spiritually and financially to this endeavor. Thanks to you we are able to meet our day to day expenses, and thanks to you our Bethesda Building Fund is growing. Thank you and may Jesus richly bless you in every way!
