Sodom and Gomorrah were destroyed because there were not to be found ten righteous people in their citizenry. Had ten righteous been found the cities would not have been destroyed (Genesis 18:32). The population of these two cities is a matter of conjecture but it would seem that if only a small percentage of the people had been righteous, God would have spared the cities despite their wickedness. Apparently, a very few righteous men and women are sufficient to hold back the wrath of God.

Other cities have similarly fallen to fire and destruction—some in our lifetime. Ancient Rome is among those cities so destroyed. Within the past decade Hue in South Viet Nam was similarly burned to destruction. Where will God’s wrath fall next? Are there 10 righteous in Moscow—in New York—in Miami—in Havana—in Bogota?

The evil spoken of in Genesis 13, 18, and 19 is certainly present in the world today and in the United States. We see the description of Genesis 13:13, "Wicked and sinners before the Lord exceedingly." Daily we read in the news of the inventions of new forms of evil (Romans 1:50) and there seems no end to the increasing depth of our national degradation. Often American churches defend evil (homosexuality, TH, abortion, drinking, spiritualism, re-incarnation, marijuana smoking)—while condemning the Baptism of the Holy Spirit, divine healing, the preaching of salvation, the proclamation of the virgin birth and the resurrection.

The Bible proclaims the fact that righteousness exalts a nation (Proverbs 14:34) and God’s people are admonished to be holy (Ephesians 1:4, etc.). If those who profess and call themselves Christians would begin to practice holiness or if indeed those who profess to be Spirit-filled or Pentecostal or charismatic would begin living Christ daily in a holy, just and sober life—many bars and places of evil in our nation would have to close up for lack of business. The responsibility for changing the face of evil in our nation lies squarely on the shoulders of the compromising Christians. It is time for all Christian people to begin standing for the right and warning against evil. This does not mean social revolution—it means personal conversion and living for Christ on a massive scale. How can this Christian nation condone for another day such things as children being victimized in pornographic films and books? Where are the holy women of America? Are there no honorable, moral men to stand for the right? We are indeed a profane and awful generation and as I see it—we desperately need a revolution of Godliness—AND we need it now! WSR

PLEASE NOTE: Those interested in a religiously oriented Residency in Psychiatry inaugurated by Michigan State University, College of Human Medicine, Department of Psychiatry, Grand Rapids Campus, should contact Dr. Floyd Westendorp, Associate Professor of Psychiatry, Director of Psychiatric Residency Program, 220 Curry Street, S. E., Grand Rapids, Mich. 49503. Phone 616/459-5504. This program is a continuous search for the answer to the relationship of religion and mental health, and is a result of a high demand by the public that psychiatrists have a religious orientation. Now in its second year, the program has openings for the year beginning July 1977. These openings include three positions for a flexible Internship and three positions for first year Psychiatry for individuals who have already had the equivalent of an Internship. Please contact Dr. Westendorp directly. Do not write to Christian Medical Foundation.
