"If my PEOPLE, which are called by my name. . . (II Chron. 7:14)
"If ye shall ask anything in my Name, I will do it." (John 14:14)
"In the name of Jesus Christ of Nazareth, rise up and walk." (Acts 3:6)
... anointing him with oil in the Name of the Lord." (James 5:14)

What does it mean to be called by God's Name? 'What is God's Name? In Exodus 3:13 Moses asks of God, "What is His Name?" God said unto Moses, 'I AM THAT I AM.' In John 18:5 Jesus stated to the men and officers of the high priests when they said they sought Jesus of Nazareth, "I am He. As soon as he had said unto them I am He, they went backward, and fell to the ground. There was the physical response to the affirmation of the Incarnate Yahweh—that Jesus of Nazareth and I AM were one.

So it would appear to this writer that the true nations of God in this world are those which are the nations of God—Yahweh—Jesus of Nazareth. Russia and the nations under its domination and China have stood against God and Jesus. Even though Poland, Czechoslovakia, Yugoslavia, and other subdued nations still contain Christians—as do Russia and China, their governments are anti-God and anti-Christ.

Realistically, the only nations which could be termed salvationist ('neither is there salvation in any other; for there is none other name under heaven given among men, whereby we must be saved'. Acts 4:12) are those nations of the Western World where salvation is fully proclaimed. Europe, England, Ireland and most of the South American nations are in spiritual eclipse. To me the flame burns in Rhodesia, South Africa, Northern Ireland, the USA and Canada—and possibly we must include Israel. Are these not the nations which are under international attack? It could be that unless we awaken the United States and Canada will stand alone. With the United Nations as the battering ram of the secret power behind the U. S. government, the USA is the primary force being utilized to destroy God's People in our time. No greater force of anti-Christ could have existed than our political expedition which destroyed millions of Christians in Southeast Asia. Satan delights in having Christians destroy Christians.

It is time Americans began to let their leaders know that we have come to the point of understanding the strategies of Satan and beyond this point we will not retreat. 'We must support those remaining Christian nations or at least STOP harming them by ignorant use of power politics. We must send missionaries to the world and again claim the whole world for Christ. 'We must become a moral, Christian, God-fearing people again and the time is NOW.
