"Behold, how good and how pleasant it is for brethren to dwell together in unity!" {Psalm 133:1}

Unity among the brethren is a product of the various workings of The Holy Spirit in the Body of Christ. This was seen in the attitudes and proclamations of the founding fathers of America. In the Declaration of Independence they stated that "man is endowed by his Creator with certain inalienable rights and among these is life, liberty and the pursuit of happiness". None of these can exist without The Holy Spirit. Jesus is life. (John 1:4; 14:6). "Where the Spirit of the Lord is there is liberty" (II Cor. 3:17). Joy is a fruit of The Holy Spirit. The world system (kosmos) promises life, freedom and joy but the ultimate product is always bondage, death and sorrow.

Medicine practiced without the presence of Jesus Christ in its multiple activities produces tension and chaos. The constant dwelling upon the scientific, the statistical, the inanimate aspects of sickness creates heaviness and the desire of escape. This escape can take on various forms but is often seen in the escape into drugs, alcohol, sexuality, or various forms of power pursuit. In much of Medicine and I am certain in law, in business or even in the Church there is relatively little joy as we are living today.

CMF just completed its 56th annual Physicians' Conference on Psycho-Somatic Medicine. One hundred ten physicians were present this year coming from all parts of the United States and Canada. There were addresses on such subjects as hope; "The Gift of Hope--To The Medically Hopeless Patient", "A Cardiologist Views Hope in Christ For The Medically Hopeless Patient", "Psycho-spiritual Support of The Medically Hopeless Patient", and "Holiness as a Medical Concept". These addresses were delivered by physicians representing all phases of patient care including Surgery, Psychiatry, Family Practice and so forth. Those speaking and attending were from universities as well as from town and country practices. Most wonderfully evident was the joy and love and unity of those attending. There was singing and praising Jesus. There were tears and unashamed embracing. Jesus was upheld and lifted up. The anointing of The Holy Spirit was evident in both the meetings of the physicians and the meetings of the physicians' wives. Unity was there and from that unity was produced that wonderful sense of God's presence which is so needful and so lacking in most of the activities of this life we are involved in, including the Church.

How rarely are physicians ministered to these days! Most Medical Societies have become sources of condemnation and destructiveness in our day. One would have to search his mind diligently to determine what of true value to the individual practitioner has been accomplished by his local, state or national Medical Association. These associations have acted to destroy the freedom of Medical Practice rather than to protect it.

But God is raising up a people in Medicine, in Nursing, in the Law, in Education, in Business and in Government who will listen to Him and follow His Word. A New Medicine, a Medicine of The Holy Spirit is arising. The New Church will need new men to fill her ranks. Something fantastically good and right is happening and praise God, Christian Medical Foundation is in the forward echelon. The prayers and support of CMF families are requested at this time as we launch out now to Corpus Christi, Texas, Fredericton, N. B., Canada, to Springfield, Mo., San Jose and San Diego, California, in days to come.

God is on the move. Let us move with Him! WSR

THANK YOU, DEAR FRIENDS, for sharing your gifts with us. We thank Jesus for each one of you. Support for the General Fund is always needed and gifts to the Bethesda Project are urgently needed. We are already seeing this vision become a reality. We have begun with paving, the gates and fence will be done soon and we are trusting the Lord to provide sufficient funds so that the foundation can be done shortly. Our Canadian friends should send their gifts to the Canadian address. All gifts are tax-deductible.
