A NEW YEAR - A NEW CHALLENGE

Some years ago I attended a revival meeting in Bay City, Michigan. The speaker was Armin Gesswein, a most dynamic man of God. The music theme for the series of meetings was the song, "In Times Like These". I have never forgotten the song--nor that series of meetings. It was at that time that my life underwent dynamic change. God spoke to me at that meeting and in my spirit I knew that a patient of mine did not have leukemic leukemia, as pathology had diagnosed--but Felty's Syndrome. Thus I learned to cherish the message of the song, "In Times Like These". This song tells us that in times like these we need an anchor and strength that we must make very sure that our anchor holds and grips the solid rock.

In Hebrews 6:19 we read, "Now we have this hope as a sure and steadfast anchor of the soul--it cannot slip and it cannot break down under whoever steps out upon it--a hope that reaches into the very certainty of the Presence within the veil" (into the Holy of Holies). During the coming year let us each one make certain that we are anchored within The Veil--in The Rock. Then no matter what occurs we cannot be dismayed or shaken, Feeding on the Manna, sustained and upheld by the Everlasting Arms, empowered by His Holy Spirit, healed by His Stripes, washed in His Blood, nourished by His Word, provided for by His Unfading Love--who can grow weary or faint?

I have been reading about anticipated energy shortages, economic depression, wars and rumors of wars, the socialization of Medicine, the growth of Communism, political and financial upheaval, moral degradation, etc., etc.--but I must write that in Jesus--ALL IS WELL. HE IS COMING SOON! All that is needed now is for Christians world wide to awaken and claim the victory--to begin to act instead of acquiesce, to stand up instead of reclining and to fight the good fight of Faith--believing that we indeed do already possess the land and the power to persevere and to recapture the territories that satan has taken through our own neglect and sloth. Let us hold fast our profession, our birthright, our heritage, our Pentecostal Power and act as the Victors we are in Him in the coming times of challenge and opportunity.

II Peter 12:18.
