"Ask of Me, and I will give you the nations as your inheritance, and the uttermost parts of the earth for your possession." Psalm 2:8

"For unto us a child is born, unto us a son is given; and the government shall be upon His shoulder." Isaiah 9:6

Plans are well underway for a great gathering of one million or more Christian believers in Washington, D.C.—April 29, 1980. The purpose of the meeting will be to demonstrate Christian unity and to, beyond any question, show our government that the United States of America must get back on its original Christian course. Those who are uniting together in this endeavor are Bishop William Frey, Dr. C. M. Ward, Pat Robertson, Demos Shakarian, David Du Plessis, Jim Bakker and many others who have been wonderfully used in the renewal of the past decade. We are not going to the seat of our government to protest anything. We are going as Christians in a spirit of unity and love. We are going to meet with our representatives, to pray for our nation, our leaders and our government. Such is the stated purpose.

In essence, it is apparent nationally in America that committed Protestants and Catholics across the nation are uniting to act as the majority which they are in actuality, to insist upon Christian principles in government. Many feel that the time has come to vote born again, spirit filled men and women into the congress and senate and to vote the atheists and agnostics out. The present leadership will have a chance to declare itself and it will be quite obvious who is for Christ's cause and who is not. Lincoln spoke of the government of the people, by the people and for the people. In recent times purs has tended to become the government for the special interest groups, by the power lobbies and of the anti-God, anti-morality forces. It is plainly time for change. Concerned people across the land are beginning to make their voices heard.

Dr. Jerry Falwell recently visited Rhodesia. In a broadcast after his return he told of the brainwashing of the American public regarding Rhodesia and South Africa. He described the support of the Communist guerilla forces by Russia and China. This was expected, but what astonishes us is that there is continuing support of the revolutionary murderers, who are attempting to destroy Rhodesia, by the World Council of Churches and the United Nations.

Thus we see that in our nation and worldwide the forces of evil are arrayed against the holy and the righteous. The battle lines are being drawn and the time has come when thinking man must decide. In America, our first duty must be to unite. We must then get believers to run for office and vote them in. We must stop supporting the forces of destruction—the United Nations and the World Council. In Medicine we must support and work ardently for Christian Medicine—CMF, ORU, CMS and IHCF. Every force must be brought to bear upon state and national authorities to get approval up and down the line for ORU's Medical Education program and City of Faith Hospital.

"It's about time, O Christian, it's about time." (from the song, "It's About Time")

Even so—come quickly, Lord Jesus!

FINANCIAL STATUS OF CMF: Each year CMF begins the new year with all running expenses from the old year paid. On Dec. 1, this meant that over $30,000 would be needed, which seemed impossible. Praise the Lord, the entire amount came in and all that remains is one bill due for Heart Magazines (which we send out to our doctors) amounting to $1800. This too will be arriving shortly since Jesus always sends all that we need. Thank you, dear friends, for your prayers and gifts. Heb. 13:5 comes to mind concerning this.

On Dec. 30 at 4 AM our blessed Brother Kahn Uneyama was called home to be with Our Lord, Helen told us that Kahn experienced "indigestion" which was relieved by donnatal and antacid medication. After instructing Helen to simply trust in Jesus he passed into the life so vividly described by Gerry Landry at our Oct. Conference. Kay and I had been with Kahn and Helen for a wonderful and joyous Thanksgiving Dinner. We discussed Gerry's experience in real depth. So many have said that Gerry's talk has removed the fear of death from them. Kahn said this too although he said he had made his peace with God years ago when he was saved and filled with the Holy Spirit. We must now close ranks and "press on toward the goal to win the supreme and heavenly prize to which God in Christ Jesus is calling us upward." Thanking Jesus for our dear brother who is now cheering us on from his heavenly vantage point. Helen's address: 2574 Moraga Dr., Pingle, CA, 94564
