"And ye shall hallow the fiftieth year, and proclaim liberty throughout all the land unto all the inhabitants thereof; it shall be a jubilee unto you; and ye shall return every man unto his possession, and ye shall return every man unto his family." Lev. 25:10

When one visits Independence Hall in Philadelphia he sees the great Liberty Bell which was cast in England and brought to America to ring for the cause of liberty. Around its upper circumference is cast the wonderful statement from the Pentateuch, "Proclaim liberty throughout all the land unto all the inhabitants thereof." Certainly our forefathers gave reverence to God and to His Word through instructing that the great statement of God through Moses be emblazoned on the Liberty Bell. There was no "separation of church and state" in this act.

It can be reasoned that if they knew the first part of the verse they must have known the whole verse including the statement pertaining to returning in the jubilee year to one's family. Also known at the time of the beginning of our nation was the fact that God chose for men to live in families. In reading of the families listed in the Bible there are listed only traditional families, none of them "nuclear", and none of them homosexual.

The nuclear and the homosexual families and "lifestyle" being tolerated and encouraged today by some Christians and liberal anticirst political forces would have been anathema to those who began the American Republic. To have had any such idea they would have been forced by reason to inscribe on the Liberty Bell--"Proclaim bondage throughout all the land..." Liberty is of the spirit--"Where the spirit of the Lord is, there is liberty." (2 Cor. 3:17) Where sin and degradation are, there is servitude.

We live in a time when horrendous crimes are committed daily by those involved in homosexuality. Consider the Gacy case as an example. Along with homosexuality goes violence. This comes about because one cannot violate God's Word without bringing in the whole satanic realm of evil and cutting one's self off from the blessings and protection of God. "You shall not lie with a man as with a woman; it is an abomination." (Lev. 18:22) "Do not defile yourselves in any of these ways, for in all these things the nations are defiled which I am casting out before you." (24) "Do none of these things lest the land spew you out when you defile it, as it spewed out the nation that was before you." (28)

Let us therefore appeal to one another to return to God and His holiness. Let us also re-instate our belief in the family with God as its ultimate head. Let the Christians of Israel (the USA) reject any attempt by Washington politicians to create any new evil definition of family. Let us pray that the new generation of Americans will rediscover that which has made America great in its history--the traditional Christ-centered, God-fearing family.
