The spirit of bondage represents a force controlling the mind and body of man which is the usual state of the human being who is not redeemed and regenerate-"We know that we are of God, and the whole world (around us) is under the power of the evil one." (1 John 5:19) The spirit of bondage is the controlling force of satan and the powers of darkness which control the world system (kosmos). In Romans 8:15 it is termed a bondage of fear and is in contrast to the spirit of adoption which one receives as a free gift of God's grace at the moment of liberation into salvation, the glorious liberty (or liberation) of the sons of God. Every person who is living today is either of the spirit of bondage or the spirit of adoption. We are either of love (the opposite of fear) or of torment-"There is no fear in love; but perfect love turns fear out of doors and expels every trace of terror! For fear brings with it the thought of punishment, and so he who is afraid has not reached the full maturity of love--is not yet grown into love's complete perfection." (1 John 4:18 Amp.) (or, "fear hath torment" KJ) We also are either of life or of death. (Rom. 8:6, John 6:63) Man is born into bondage and is born again into freedom. Bondage is the natural state of man; freedom is the reward of sonship which comes with the spirit of adoption, the Holy Spirit.

These thoughts came to mind recently in considering the controversy regarding the teaching of Creationism in the public schools. In Florida, various school boards have elected to have Creationism taught along with the theory of Evolution in the schools. The Superintendent of Schools in our area has stated that this causes a problem with reference to the doctrine of the separation of church and state: how can a teacher instruct regarding creation without mentioning a Creator?

One immediately sees the spirit of bondage at work here since it becomes apparent that atheism is suddenly the issue and not Creationism. The public schools have become atheistic since, through eliminating the spirit of adoption, they have entered into the spirit of bondage and are therefore of the kosmos, of satan. Thus God and the Creator cannot be even mentioned and ways must be devised whereby Creationism can be taught without mentioning God! In erroneously interpreting the doctrine of the separation of church and state, our nation has actually enthroned atheism--a satanic system. Why should we then consider it strange that homosexuality, premarital sex, sexual perversion, alcohol and drug abuse, violence, abortion, profanity, vulgarity and increasing evil are part of the modern school scene? The subject of Creationism brings the whole issue of the state of the public schools (and of our nation, for that matter) into bold relief! In the society of man, unless God is given pre-eminence, havoc ensues.

In the Declaration of Independence, God is mentioned in the first sentence. The second sentence states: "We hold these truths to be self-evident: that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty and the pursuit of happiness." Certainly in the national history of the United States the Declaration of Independence must be equal in our traditions to the Constitution and the "Bill of Rights".

Since those who teach are finding difficulty in mentioning the Creator we must assume that the Declaration of Independence can no longer be taught to our children. Most Americans must admit that they really do not know what is being taught to their children. If the Declaration is being taught, what are teachers allowed to say about all men being created equal, and about the inalienable rights which our Creator endows man with? Is this not in fact Creationism--and has it not always been part of real American belief?

In the first Article of the "Bill of Rights" it is stated, "Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof..." What actually has happened since the Supreme Court decision of 1952 (Zorach v. Clauson) is that a false satanic religion--atheism--has been established across the whole of America in all of its public institutions! Beyond this, the "free exercise" of Christianity has
been abolished in contradistinction to our Constitutional guarantee and protection. The Reverend James Kennedy, speaking in Washington, D.C., on April 28, this year, stated that the Supreme Court in 1892 declared the United States to be a Christian nation.

We are not an atheistic nation. The United States always has been and continues to be a Christian nation! This great fact has been the basis of the astounding success of America. Failure and problems on a national scale have been historically rare in the first two hundred years of the Republic. However, since the advent of Communism, atheism, humanism, behaviorism, Freudianism, scientism and evolutionism with the dethroning of God and His Holy Word from America and its institutions, we have been reaping an increasing holocaust. God's people who represent a majority in the United States and Canada must make their stand for Christ now. In this regard we must insist on the teaching of Creationism in the public schools. We must also insist that there be prayer, Bible reading and the teaching of the Christian basis of our Constitution and of our nation. (You may write the Foundation for American Christian Education--Box 27035, San Francisco, CA, 94127--for early books regarding the Constitution and the teaching of Christian history, but please mention CMF in your letter.) Christian Americans must insist on knowing what our children are being taught and must stand against the teaching of sex and immorality in our schools. We must elect Spirit-filled, Born-Again Christians to School Boards and all governmental-positions regardless of party affiliation. If we are truly charismatics we will begin to show it by our acts and deeds and not just our professions. We must stop being in bondage to fear and impotence. The true Charismatic Christian will stand for righteousness and right and make his feelings heard and felt. We have one last chance--in the upcoming elections of 1980. For any Charismatic Christian to vote a straight ticket is a grievous sin. If you do not know the true Christian status of those seeking office, concertedly write in the name of a Christian person who stands for God! This could be the last election. The message of Washington for Jesus was, "America is in Peril"--"God is Giving Us One Last Chance."

"The night is far gone and the day is almost here. Let us then fling away the works and deeds of darkness and put on the full armor of light. Let us live and conduct ourselves honorably and becomingly as in the open light of day; not in reveling and drunkeness, nor in immorality and debauchery (sensuality and licentiousness), not in quarreling and jealousy. But clothe yourself with the Lord Jesus Christ, the Messiah..." (Rom. 13:12-14) Tyndale translates Ephesians 5:14--"Awake thou that sleepest and stand up from death." "Thou shalt not follow a multitude to do evil." (Exodus 23:2) STAND FOR THE RIGHT IF YOU HAVE TO STAND ALONE! "And having done all, STAND." (Eph. 6:13)

HEALING THE WHOLE MAN--MIND, BODY, SPIRIT

by William Standish Reed, M.D.

Published by Fleming Revell Power Books, the book is now available through CMF and your local book store. You may contact CMF if you wish to obtain a copy. Please send $3.95 a copy plus postage of 60¢ (U.S.) or $4.95 a copy plus postage of 60¢ (Canada currency). If you order several copies, additional postage will be required.
Dear Friends of CMF:

I want to bring you up to date with the latest progress of the Littlest Angel. As most of you know, we are remodeling an old building and creating an adorable shop which will be completed in late September. We were in great need of men to help with the carpentry work and the Lord heard our prayers. Three talented men have been working long and hard now for many days and our building is really beginning to take shape and personality. While the weather is unbelievably hot and humid, and the pay is only a pitcher of iced tea,—my appreciation, and that of Kay and Doctor is absolutely immeasurable! However, these men have had some unique blessings themselves. For instance, C.D. hit his thumb with a hammer and, even though it was bruised, it hasn't hurt. Bob says he feels limber and full of energy even after working eight hours. So you see the Lord is blessing those men who so graciously have given their talents to the work of the Lord.

Our hearts are full as we extend our appreciation to those who have "caught the vision" of our little shop and have responded with such lovely handmade works of art and monetary gifts to help stock our shelves. With this kind of support we will surely see the roof go up, the inventory grow, and the success of the Littlest Angel be assured.

It is my vision also that this will be more than a commercial endeavour to help with expenses of CMF. It should be a place of enjoyment and loving companionship. We intend to bless our building and ask God's presence to be felt by all who enter our doors. We're asking for more than just a gift shop.

We still have a long way to go before opening time this Fall, so we hope you will continue to keep us in your prayers. We thank you for your continued contributions and we invite you to join our Thursday workshop. Since we are creating the Littlest Angel for the purpose of helping in the work of the Lord here at CMF, I would like to end my letter with a quotation from 1 Cor. 15:58—"Therefore, my beloved brethren, be firm (steadfast), immovable, always abounding in the work of the Lord...knowing and being continually aware that your labor in the Lord is not futile--never wasted or to no purpose." (Amp.)

Let me hear from you, Jane

CMF INTERNATIONAL
EIGHTH ANNUAL CONFERENCE ON LOGO-PSYCHO-SOMATIC MEDICINE
Tampa, FL - Airport Host Hotel - October 1-5, 1980

Plans are now well underway for the Physicians Conference in October. This year our conference will concentrate upon disciplines in LPS Medicine which we have not covered in previous meetings. There will be an opportunity for Christian testimonies of physicians. We are arranging to have input from Oral Roberts University Medical School. Larry Samuels from Israel will be with us. When the program is finalized, it will be sent to the entire CMF physicians mailing list which is now near 3,000. Please pray for our inspiration by God's guidance, and consider helping financially so that the increasing expenses of travel can be met. We would be most pleased if we could have a large scholarship fund established allowing us to bring in foreign physicians and medical students as well as some vital clergy. Your prayers, financial help and assistance are humbly requested.

CMF OF CANADA FOURTH ANNUAL CONFERENCE

The Fourth Annual meeting of CMF of Canada will be held in Toronto, September 12 and 13, at the Hotel Triumph--the second annual "Christ Triumphant" Conference. The Chairman of the conference, our beloved Jack MacDonald Thomson, and our new Canadian Office Manager and Publicity Chairman, Bill Walker, along with an inspired committee have made wonderful plans for the upcoming meeting--morning meditations, short business session, speakers (including Dr. Reed and Kay), opportunities to witness, healing services, seminars for doctors and nurses, banquet, church services. Much publicity has already gone out and there is evidence that this will be a wonderful and Holy Spirit anointed meeting. Dr. Bill Reed and Kay will be on 100 Huntley Street on September 12 at 9:30 AM to start things off. The meeting will commence after registration the evening of September 12. Physicians, nurses, clergy and anyone interested in the Healing of the Whole Person are invited to attend. Details of the conference can be obtained by writing Jack Thomson or Bill Walker. (See Monthly Happenings for addresses.) MAKE YOUR RESERVATIONS NOW!

Dr. Reed will be preaching Sunday, September 14, at Islington Evangel Centre at 11 AM, then will assist in a healing service that night at St. John's Anglican Church, Islington, at approximately 7 PM.

Cassette Tapes Available: the annual Doctors Conference meetings, the weekly Women's Auxiliary Bible studies given by Kay Reed and by Dr. Reed, and two series of lectures by Kay Reed, "Your Home, Christ's Sanctuary" and "The Women of the Bible". New addition--the testimony of Robert Fierro regarding the healing of his body of multiple myeloma. Please contact CMF for catalogs, cassettes, or further information.
