CHRISTIAN MEDICAL FOUNDATION INTERNATIONAL

CARRIED ON EAGLES' WINGS

"You have seen what I did to the Egyptians, and how I bore you on eagles' wings and brought you to Myself." Exodus 19:4.

As Thanksgiving and Christmas approach, one tends again to look back and to reflect upon the history of our nation. In many ways an analogy can be drawn between the migration of ancient Israel to the land of Canaan from Egypt and the migration of the Pilgrims and Puritans and those who followed them to North America. Ancient Israel consisted of the Twelve Tribes (none of whom were Jews). (Jews are not mentioned in the Bible until II Kings 16:6 - well after the reigns of David and Solomon). Ancient Israel under Moses was a mixed multitude consisting of not only Israel, but servants and friends who were Egyptians. Similarly, when North America was colonized, its' population in 1761 (141 years after the arrival of the Pilgrims) consisted of 1,144,000 people extending from Newfoundland to Georgia. In a report of 1761 to the Anglican Bishop of London, 28,000 are listed as Roman Catholic. Jews are mentioned, but not numbered. So it would appear from history that the majority of the original colonists who formed North America prior to the Revolutionary War were Protestant Christians. This has meaning when we consider the Constitution, and its great impact upon the lives of all Americans today. It is a Christian document formulated by those who deemed God as primary in their lives and Jesus Christ, the living Son of God—the Rock of their Salvation (individually and nationally).

God said that He bore Israel on eagles' wings. Similarly, it is said that the Mayflower, the little ship which carried the Pilgrims to this land, was originally named "The Eagle". Thus, the original settlers were carried to America on eagles' wings. We are God's people. The loss of this truth in our time is doubtless the great reason for the problems of today. God's people revere Him. God's people do not worship idols. They do not take His name in vain. They honor their parents. They do not murder. They do not commit adultery. God's people do not steal. They do not bear false witness. Since we are God's people, we must do His will. Since we in North America are an Israel nation—spiritually and through our lineage, we cannot succeed as a nation and as a people without God.

The Christian physician or nurse finds that he cannot do or condone abortion. There is something within him which makes the destruction of life abhorrent. Immorality and profanity are likewise impossible for the believer. One finds that Galatians 5:16 is true, "Walk in the Spirit, and ye shall not fulfil the lust of the flesh. For the flesh lusteth against the Spirit, and the Spirit against the flesh: and these are contrary the one to the other: so that ye cannot do the things that ye would".

So at this Thanksgiving and Christmas-time, the believer must be very thankful that he has become, through God, an inheritor of a great and wonderful promise—the promise of the Holy Spirit. Without the Spirit of God, Moses and Joshua would never have taken Israel to Canaan. There would have been no Law of life. There would have been no Church and no people of God. But the Ruach Elohim guided Israel and the nation was established. Eventually, in the midst of apostasy and heresy, the Messiah came to the land of the promise which Moses only saw from the top of Pisgah and was never allowed to enter.

In the passage of time, ancient Israel was dispersed. Following the Babylonian Captivity, one reads in Nehemiah of only two of the twelve tribes returning to Jerusalem. There is no mention of the remaining ten tribes. James addresses his letter "to the twelve tribes scattered abroad" and Peter (I Peter 1:1) addresses his letter "to the elect exiles of the dispersion scattered abroad in Pontus, Galatia, Cappadocia, Asia, and Bithynia". Nevertheless, there was a remnant in Palestine and to this remnant the Messiah came. Just as Moses came to be the deliverer of God's people from physical bondage, Jesus came to become the Deliverer of His people from spiritual bondage.
The comparison can now be drawn that our American forefathers were the descendents of the dispersion of Israel. They formed a nation based upon the Law and the Word of God. (This was true of Ancient Israel under Joshua.) With the passage of the years, the message and the reason for America became lost. The sabbaths became profaned. The commandments of God were forsaken. The Church lost sight of its mission. America madly began to worship other gods--gods of flesh--money--power--sensuality. The nation to which Jesus came had fallen into the hands of a pagan nation (Rome). America has fallen into the hands of a pagan philosophy: socialistic, humanistic atheism. We may not yet realize that this has occurred, but this fact becomes more apparent day by day. Into just such a world the Messiah will come again. The message of this Thanksgiving and Christmas which has been burning in me since our recent Conference (the Ninth Annual CMF Conference on LPS Medicine) is for Israel not to despair, to hold fast to the truth, to search out the ancient truths of our nation, to live in the Word and in the Holy Spirit--and to make ready for the return of the Messiah (Jesus Christ).

May Jesus, at this Holy time of year, find our hearts and homes prepared to receive Him. May our lives and practices be always of honor to Him. May we be willing to give our all that His Glorious Kingdom may come in our homes, in our hospitals, in our nation, in our churches, in our schools and universities, and in all of our American and Canadian lives. ** WSR **

A SONG FOR ALL SEASONS: The following beautiful lyrics were sung by Dr. Harry Cohen at our recent Doctors' Conference. The tune is the same as the old Frankie Laine hit "They Called The Wind Mariah".

"MESSIAH"

Chorus: Messiah, Messiah, they call that Man Messiah.
Messiah, Messiah, they call that Man Messiah.

There's a Man, that Jesus Man, Who came from God's desire,
To set men free from sin and pain, with love and hope inspire.
(Chorus)
He said He was the Son of God to those who would adore Him,
And lay aside their earthly claims, put nothing else before Him.
(Chorus)
He'll give you peace, He'll give you joy, as He alone can reason.
He'll intervene to make you clean, to start a brand new season.
(Chorus)
Now if you want to meet that Man, and set your life on fire,
Just ask for grace to fill your heart--He'll take your soul much higher.
(Chorus)
Now there's a Man, that Jesus Man, Who told the greatest story.
His perfect plan we'll understand when we meet Him in glory.
(Chorus)

***

FROM THE CONFERENCE: 4 Questions asked by 4 Medical Students

1. "How does one deal with nurses and doctors who are not treating patients as we feel they should be treated?"
2. "How can I as a Christian physician allow Christ to use my patients' sufferings to His Glory?"
3. "How can I use my position as a doctor to point my patients to Jesus?"
4. "How does one make his office a place where one can breathe the atmosphere of God--and be relieved and helped toward a better life?"

CLERKSHIPS FOR MEDICAL STUDENTS: We occasionally receive requests for clerkship information from Christian medical students. If any physician feels led to provide this, please let us know. (See flap section for letter excerpt.)
FINANCES OF CMF INTERNATIONAL

As the end of 1981 approaches, those of us here in Tampa at CMF headquarters view with awe what God has done for this work in the past year. As of this writing, all of our tithes are paid, salaries are paid, utilities are paid, and in general, our status is stronger this year than last, even though the national economy is down in many areas. In past years, we have always been so full of praise as January 1 approaches to see all of our many expenses miraculously paid.

To have this happen this year, CMF will require $30,000.00 between now and December 31. Remember--your gift to CMF is income tax deductible! Please pray. Send your check today (even a widow's mite). Lay your hands on the check and ask Jesus to multiply it. He will multiply your gift to CMF--and to you!

Luke 6:38 "Give, and it shall be given unto you; good measure, pressed down and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again."

Hebrews 6:10 "For God is not unrighteous to forget your work and labour of love, which ye have shewed toward his name, in that ye have ministered to the saints, and do minister."

THE LITTLEST ANGEL

Dear Friends of CMF:

We thank our doctors and their wives for the fantastic support they gave the Littlest Angel during the Conference. You are what makes the Littlest Angel; without you, where would we be?

We've had a lovely response to our mail order items. Such interest that we now have available the Littlest Angel mail order catalogue! This is a hand sketched flyer which features our most popular items which are suited for mail travel. So, for all who wish our first two page edition, please send a self-addressed, stamped, legal-sized envelope, c/o the Littlest Angel. I'll let you know via this letter when each new edition is available.

Now that we have this catalogue, please use this opportunity to do some of your Christmas shopping with us.

God bless you all--your families and friends. Let us keep Jesus in our hearts as we join together to give thanks.

Love,

Jennifer
Excerpt Of A Letter From a Medical Student:

"So often during my medical education I have had to hide my Christianity, as any demonstration of it has been deemed "unappropriate" in the hospital setting. I have even been taught that it would be unprofessional for me to pray with a patient, even if that patient specifically requests me to do so. Thus, the hope that I felt, was the hope that knowing the Lord, someday, I too might be allowed to bring that knowledge into my practice. Now that I know there is an organization dedicated to healing the body through medicine, and the spirit through Christ, I hope that in some manner I may become involved. Ideally, through such an involvement, I can fill in the gaps of a Medical Education that is educationally sound, but spiritually lacking.

As a Student physician and a Christian, I believe it would be rewarding to be able to receive spiritual and academic guidance. In this manner I'd be better prepared to serve Christ and my patients. Even if this guidance were only an occasional opportunity to pray along with another Doctor, it does seem far superior to the academic situation I am now receiving. If you could assist me in this matter, I would be very grateful."

*****

A CHRISTMAS POEM

We set aside this time for all to remember that Jesus of Nazareth came to join us, to live among us the perfect/complete life. He died a sacrifice for our sins and wrongs to God, man, and nature. He arose victorious with the keys to death and the grave, And all this HE invites us to share with HIM now and forever for His message says in the most powerful way possible that God through Him loves us no matter what we may have done or what we may be doing And simply by sincerely asking He will forgive our sins and come to reside in us that He might live through us continuously here on earth. Yes, it's the Christmas season--and the joy can be and is available to us all year long So let us truly bless Him and praise Him as He is-- Not only baby Jesus but also King Jesus. As He has amazingly and gloriously changed our family's life, He can for you and yours if you will know Him-- Join with us in our Merry Christmas and Happy New Year.

Donald C. Thompson, M.D.

REPRINT INFORMATION: Articles taken from Christian Medical Foundation newsletter may be reprinted as long as appropriate credit is given. Thank you!
NEW MEDICAL VOW

I vow to seek God my Father through Jesus by yielding myself totally to the Holy Spirit. I will walk in the council of the Godly not moving in the ways of sinners nor sitting in the seat of the scornful. I will delight myself in the laws, precepts and teachings of God and will meditate on them day and night. I vow to show love, honor and encourage my spouse and children that our family will show forth God's ways. Thus may those who know us see real health. I will reverence human life from the time of conception. I vow to preserve support and cherish it with my skills, talents and gifts; dedicating my body, soul and spirit as a physician to be like Christ. Thus may human life glorify the Creator. I vow to love in unity of spirit, my brother physicians in Christ Jesus. I know I can do nothing in myself alone but Christ in me will, through grace, supply my every need as I in humility receive the desire and power to do on earth as it is done in heaven. Thus may those who meet me find wholeness in The Way to our Father.

David D. Vause, M.D.

NOTICE
ALL PHYSICIANS AND THEIR SPOUSES

The Tenth International Conference on Logo-Psychosomatic Medicine will be held October 6-10, 1982. MARK THESE DATES ON YOUR CALENDAR!

LETTER FROM OVERSEAS: "... I am Deputy Head of a school for mentally retarded children and a convinced, born again Christian for whom my faith is the basis of my work... I would like to make personal contact with American Christians who work with the retarded. I believe there is much to learn and be shared..." David Baynton, 4 Achilles Road, Chatham, Kent, England ME5 8SP.
