LIFE MEDICINE — WHAT IS THIS NEW DISCIPLINE?

For some undisclosed reason, the Holy Bible is not understood or perceived as having relevance to the practice of Medicine or, for that matter, the practice of life itself. Jesus of Nazareth had much to say about life in His Word and described Himself as the Way, The Truth and the Life. He told us the truth will make us free. In Him was Life and the life was the Light of men. (John 1:4)

Jesus Christ also illustrated by His Life and teaching that God heals man and that men are to be the agencies of God’s healing power. (Luke 9:1,2, Luke 10:9, Mark 16:18 etc.) Over and over again Jesus healed not only individuals but multitudes of diseased people including those troubled with unclean spirits. (Luke 6:17,18) and demon possession. He taught us to consider nothing as lost and to despair of no one. (Luke 6:35) Jesus taught man to be merciful, to love mercy, to love ones enemies, to be kind and do good and not to judge. Jesus once sent this message to John the Baptist: "Go and tell John what you have seen and heard. The blind are receiving their sight, the lame are walking, the lepers are cleansed, the deaf are hearing, the dead are raised up and the poor have the good news preached to them." (Luke 7:22) He told His disciples that greater things than these shall ye do because He was going to His Father. He is the same yesterday, today and forever. (Hebrews 13:8) God does not change. His law does not change.

St. Paul tells us that the law of our new life in Christ Jesus has freed us from the law of sin and of death. (Romans 8:2) This law is called the perfect law of liberty. (James 1:25) To those who have received Christ they are the sons of God born not of blood nor of the will of the flesh, nor of the will of man—they are born of God (John 1:13) We are told that as an example of the incredible love of the Father bestowed upon us, we are permitted to be called the children of God. And so we are! Beloved, we are even here and now God’s children; it is not yet made clear what we shall be hereafter but we know that when He comes and is manifested, we shall resemble and be like Him, for we shall see Him just as He really is. (I John 3:1,2)

Jesus instructed Nicodemus that man is incomplete and blind saying that one must be born again in order to be able to see the Kingdom of God. In the past, he has seen only the world and its chaos but now he can see the wonderful Kingdom or realm of God here on earth. Jesus also said that in order to have entrance into the realm of God he MUST HAVE BIRTH through water and the Holy Spirit. Prior to birth of water and Spirit, man is natural, spiritless (except for the spirit of man in him) and dead in his trespasses. After the new birth, he is a spiritual man, in the Kingdom of God and in life eternal NOW. (John 3:3-6) (I John 5:17)

The spiritual man comes to know and comprehend the thoughts of God (I Cor.2:11) and can combine and interpret spiritual truths with spiritual language, setting forth truth taught by the Holy Spirit. (I Cor.2:13) We are also told that "we have the mind of Christ and hold the thoughts, feelings and purposes of His heart." (I Cor. 2:16)
Before spiritual rebirth, man is a NATURAL MAN, knowing and understanding only what passes through his own thoughts through the effect of his own (man's) spirit within him. (I Cor. 2:11) The natural, non-spiritual man does not accept nor welcome nor admit into his heart the gifts and teachings and revelations of the Spirit of God, because they are folly to him and he is incapable of knowing them, because they are spiritually appreciated. (I Cor. 2:14)

Nicodemus was a natural, non-spiritual, carnally minded; unborn—again, Adamic, lost, dead, human being, just as we all are before we receive Christ. Spiritual birth does not come about through rituals or traditions or the ideas and formulations of man. Spiritual birth comes about through regeneration through the Word and the Spirit of God entering one's life through personal invitation and conception. The divine conception brings about NEWNESS of life and freedom from death.

St. Paul informed us that the carnal mind (the Adamic), the natural status of man is death. Not will be or might be but IS. (Romans 8:6) He then tells us that the spiritual mind is LIFE and PEACE. The natural psychosomatic man is part of the death system. The spiritual LFS man has entered into the eternal life and peace system. Read I Cor. 15:45-58. First Adam vs Last Adam,—dust image vs image of the man of Heaven. Flesh and blood cannot inherit the Kingdom of God. The perishable cannot inherit the immortal. We shall be changed—transformed. The parousia (2nd coming) is a period of time—will end in the twinkling of an eye (186,000 mi/sec.,) will end at the last trumpet call. Our transformation is in process, our transformation includes healing and regeneration of the physical and mental—NOW—not after we die. The process begins NOW—in this life!

Be not conformed to this world but be transformed by the ENTIRE renewal of your minds. (Romans 12:1,2) Transforming oneself is satanic. (II Cor.12:13,14) For example ESP, Transcendental Meditation, Far Eastern religions, New Age ideas, holism. Jesus requires and gives not a modification of the mind, but a total renewal of the whole mind which includes the memories, the subconscious mind, the intellect, the reasoning processes, the sensory and motor functions, the neuro humoral functions and in fact—every aspect of intra calvareal physiology.

It is my conviction that much of what is wrong with modern man has to do with the fact that he has been trying to live his life, practice Medicine, teach, and even to preach—to live as a Christian or a Jew or whatever religion, on the psychosomatic level excluding God's Spirit. This is the reason that longevity expectation has decreased in the past few years to 44 years. (when one calculates abortions into the equation) Health is a product of the harmony of spirit, soul and body under the influence and control of the Holy Spirit. W.H. Auden in one of his poems, "The Art Of Healing," states: "Every sickness is a musical problem, so said Novalis, And every cure a musical solution."

Disease is disharmony. The music of life is a trio, Father—Son—Holy Spirit, beautiful, harmonious, in tune. Keep your heart in tune, Sing in your spirit. Let God's light illumine and harmonize your spirit, soul and body. The carnal mind can never harmonize with the Divine God—Jesus—Spirit. The psychosomatic man is at very best unable to find the proper key. We are told to sing in the Spirit (I Cor. 14:15) and to make melody in one's heart, to sing spiritual songs. (Eph. 5:19) To do this, we must be born again—born of water and the spirit and into NEWNESS OF LIFE. From this divine harmony—our trio, spirit, soul, body—blending with His—springs forth life, peace, healing, joy, love and every other aspect of wholeness; both in the here and in the hereafter.

To those who support Christian Medical Foundation and its endeavors to bring the healing ministry of Jesus Christ to American Medicine and Nursing, and the Church, it is important for you to know that our Foundation continues to face monthly financial difficulties due to inconsistent giving. Over the years, we have requested that our newsletter recipients consider donating a small monthly gift to sustain the approximately $20,000.00 per month cost of running this, your Foundation. If every person who receives this newsletter would donate $10.00 or more, the problems would be over. We realize that you have your Church tithes and other obligations, however, CMF is an appropriate avenue for your tax deductible giving. I ask you to consider the uniqueness of Christian Medical Foundation and the fact that many doctors, nurses and laypeople monthly come to Christ, receive healing and a higher quality of patient care as a result of the endeavors of CMF. CMF did not start last year or even in the last decade but has been in operation since 1959 and the effects of this work have spread beyond our hemisphere and have extended worldwide. This amazes us. Those of you who have been loyal to CMF over the years deserve our gratitude and deepest thanks.

It appears that the purchase of the West Bank property across the lake is a possibility and we will be able to construct, before long, guest homes for friends of CMF who need an oasis to put their lives together again. We have not been able to begin the Bethesda Conference Center as yet, and are determined not to go into debt to construct the building or to do anything further at CMF that requires a great financial outlay. Therefore, we are praying for a miracle and someone who listens to Jesus will be the one to help launch it. Is it you?

For the many other people who give a "widow’s mite," we want to thank you, as you are truly responsible for keeping this work alive over the years. For the doctors who give monthly and the nurses who have caught the vision and also donate from time to time, we most certainly thank you also. May God richly bless all who receive this.

Dear Friends of the Littlest Angel,

This note finds many of our friends from the north departing for home. This always makes us sad. We wish them traveling mercies and a speedy return.

The shop is depleted and in need of a new buying trip. Jan Harris and I will be going to Dallas in July for this purpose. It is always such fun to buy for Christmas and the Dr.'s Conference in the fall, as well as for our regular friends in the Tampa Bay area.

Our dear friends, Dan and Mary Wright made a gift of a central heating and cooling system for the Littlest Angel, which was greatly needed. The summer months are nearly upon us and our former air conditioner, to say the least, was inadequate. It is friends like the Wrights that make CMF so special. Our appreciation is beyond words.

We have wonderful volunteers that help in the shop. This holds down overhead as do the donations of many of you who send special crafts to be sold. We have several beautiful handmade quilts as well as other items that have been sent. If you would like to help us in this way, know that it will be appreciated and will assist CMF.

Please keep in touch and if we can help you in any way, you have only to make request.

Love,

Kay
