ACCREDITATION

The University of South Florida College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

The University of South Florida College of Medicine certifies that this continuing medical education program meets the criteria for 18 hours of credit in Category I for the Physician's Recognition Award of the American Medical Association.

Physicians — Remember to bring your musical instruments with you for the evening sessions.
PHYSICIANS——

CRISIS—AMERICAN MEDICINE 1985 is the title of the most important conference you will attend this year. Christian Medical Foundation is hosting its Thirteenth Annual Physicians' Conference October 2 - 6th at the Sheraton Sand Key, Clearwater Beach, Florida.

We have combined the best of all your suggestions from previous years' evaluations——top-notch speakers with a provocative program; a beautiful and luxurious hotel on its own private beach, free afternoons to enjoy with your family; daily communion, even a Friday evening luau with plenty of time allotted for fellowship. Already response regarding this meeting is amazing and many new physicians and their families are planning to attend.

Christian Medical Foundation continues to stand against the devastation caused by secular humanism in our field. God has placed us in a strategic position to rally our colleagues to the centrality of Jesus Christ in our lives, practices and the institution of Medicine. We are eager to share our victories and vision with you in October——YOU are a vital part of Christian Medical Foundation.

Join us this Fall, mail in your registration form now. Come, prepared to hear from the Lord at this meeting!

Faithfully yours in Jesus Christ,

William Standish Reed, M.D.
