Halifax and Nova Scotia were beautiful in October when we had the privilege of visiting that lovely part of our world. The trees were a mixture of crimson, yellow and amber, and the sunshine filtering through the gorgeous Autumn scene with lakes, river, and ocean in the background were almost indescribable. Add to this the wonderful hospitality and the beauty of the Canadian people and you have a most marvelous combination. The meetings at St. Andrews United Church in Halifax were well attended and many gave their hearts to Christ. Others were filled with the Holy Spirit and God's healing presence was there in a wondrous outpouring. It was so wonderful being with God's people including Bruce and Ella Roberts and Jack and Gertrude Roberts, and parishioners from St. Andrews and Christ Church, Dartmouth. We had the same kind of experience at Tuscumbia and Sheffield, Alabama for the Order of St. Luke meetings there. In Halifax and Tuscumbia, a number of doctors were present and again it became apparent that doctors and nurses are turning to a consideration of the spiritual in their lives and practices. This was confirmed at our Thirteenth Annual Conference of CMF at Clearwater in early October. Many commented that this meeting was the most spiritual meeting we have ever had. All of our meetings of the Foundation have been unusually anointed, but this one was indeed exceptional. I especially enjoyed the fact that several of the physicians brought their violins and other instruments with them and again, we had what we have come to call the "angelic strings and trumpet." Don Hislop was on the trumpet and Millard and Trudi Posthuma were directing the musical activities. Hopefully in 1986 and the years to come, more physicians will bring their instruments so that we can have the oppor-
tunity of praising the Lord not only with our voices but with our instruments.

At the 1985 Conference of CMF, one surgeon who has been in practice for a number of years and was a running mate of mine at the University of Michigan, told me that because of the malpractice insurance situation in his state, he was retiring the end of this year. This will also be my status very shortly, since it is impossible for me to practice surgery and to travel for Christian Medical Foundation, which occupies an increasing amount of my time. It could be that my malpractice insurance premiums would equal or exceed my income which, of course, is prohibitive. Thus my practice will become a consulting practice beginning in January and beyond that I will be working for Christian Medical Foundation here in the United States, Canada and abroad. I would appreciate the prayers of CMF supporters in this regard. At this time, as I conclude my surgical practice, I am most thankful to my colleagues in Medicine and Surgery who have blessed my life throughout the years. I am so thankful to Dr. Frederick A. Coller and Dr. Henry K. Ransom of the University of Michigan who taught me the art, as well as the techniques of surgery. In my various surgical practices in Michigan, Texas and Florida, my colleagues in Medicine have been all in all most wonderful men and women and the nurses whom I have contacted over the years have been exemplary and wonderful people. I am so thankful that the Lord Jesus allowed me to become a doctor and a surgeon. Without Him, it could have never been.

As we face 1986, the Bethesda Medical Conference Center remains a vision. Also, the property across the lake where townhouses could be constructed for people coming to CMF from across the nation and Canada remains a potential. We have resolved to remain debt free so we are waiting on the Lord to make these next projects possible. Perhaps, someone who receives this newsletter will have the desire to give the necessary funds to construct the Bethesda Conference Center and to purchase the additional land across the lake. This would cost approximately $1.5 million dollars, but with God nothing is impossible and we are looking to Him to take care of this vision and its fulfillment in His time.

At this Thanksgiving time we are most thankful to the Lord for all the blessings that He has bestowed upon us individually as families and for Christian Medical Foundation here in Tampa and across the United States and Canada as well as overseas. We want to thank all of our supporters of CMF who have been so loyal during the past year in helping the Foundation and we are grateful to the Lord Jesus for allowing us to rebuild the little cottage on CMF property. We are also grateful to Mrs. LaVon Hoefle Willan and her husband for their wonderful gift of the "Spiritual Recordings Unlimited" tapes from the Hoefle tape library of Oklahoma City. These tapes include wonderful talks by Glenn Clark, Rufus Mosley, Tammy Tyson, Genevieve Parkhurst and many more of the CFI and OSL leaders—some of whom have gone home to Glory. These will be most helpful and inspiring to those who are researching the history of the healing ministry in the United States during the past sixty years, as well as the charismatic movement in our country since the 1950's. This is a most marvelous acquisition and we are so thankful to LaVon and her husband for making this possible.

As we view the world scene, we see continuing problems in South Africa and across the African continent including Uganda and Ethiopia, as well as Egypt and Algeria. The Middle East including Syria, Iran and Iraq continue to be areas of trouble and terrorism. The Soviet Union talks about possible peace but the world does not place much confidence in their statements. Actions still speak louder than words. Communist activity in Afghanistan and Southeast Asia continue to put the lie to all of their so-called peace incentives.

We again return to the fact that the only way a nation can be blessed is through Jesus Christ and through the people of the nations living for Him. Only Christ can solve the problems that face the nations today and very few of them—including our own nation—seem to be interested in looking unto Jesus. We have excluded God from our schools and universities and have virtually excluded Him from Medicine, Surgery, Psychiatry and our hospitals. As we continue this, we inherit more and more problems.

Our hearts go out to Amando Silva who recently lost his young daughter in Puerto Rico and to the Thomson family following the homegoing of our beloved Jack Thomson of Keswick, Ontario. We want to assure them of our continuing prayers throughout this season.

We pray that all who receive this newsletter will have a most blessed Thanksgiving and Christmas and that families will be able to attend church together and to worship the Lord in their homes. Let us pray for peace in the time to come and also for the soon return of our Lord Jesus Christ. God has blessed me with a wonderful wife and four wonderful children and nine lovely grandchildren. Kay and I have so much to be thankful for and we pray that 1986 will be a most joyful and wonderful year for each of our readers.

Wiliam Francis Reeds.
AT YEAR'S END

As we approach the Advent Season and Christmas, we must be reminded that the end of the year is coming up and traditionally CMF has entered the New Year with all of its running expenses paid. In order to do this, this year, it will probably require a generosity on the part of most all of the people who receive this newsletter.

As indicated in previous newsletters, because donations to the Foundation fall short each month, we are facing a deficit at year end of approximately $50,000.00. Beyond this our dream of establishing the Bethesda Christian Medical Conference Center and constructing townhouses across the lake seems very remote. We are not going to go into debt and are praying that God will somehow supply the necessary funds for building the Bethesda Center and buying the property across the lake and building the townhouses. The major problem consists of meeting the deficit and running expenses and we hope that those who receive the newsletter in the spirit of thanksgiving and anticipation of a wonderful New Year will be generous in helping us meet this problem. If everyone who receives this newsletter would give $10.00 we would have more than enough funds to take care of the deficit and launch into the New Year without having any anxiety about the meeting of our bills. Please pray about this as you think about gift giving and what you might do with reference to your participation in Christian Medical Foundation.

BOOK OFFER

Our suggested book for this newsletter issue is "Discovering God's Will In Your Life," by Dr. Lloyd John Ogilvie. According to Dr. Ogilvie, pastor of Hollywood Presbyterian Church in Hollywood, California, "The will of God is not a mysterious set of sealed orders we search for and receive if we happen to hit on the right formula. Rather, God's will is a relationship with Him in which He discloses His purpose, power and plan for our lives." We agree that this book will encourage and enlighten you as you discover God's will in your life.

To order, please send $4.95 per book plus $2.00 postage and handling.

TAPE OFFER

We are featuring the tape, "God's promise-America's Hope," by Kay Reed. Mrs. Reed speaks of the stress we have on every side as a nation and in our family situations and she walks us through scripture to show us how we can and should stand as a people who profess to love God and His Son as our Savior.

Order tape #5975A-NLE. For each tape ordered, please send a check for $4.00 plus $2.00 for postage and handling.

PHYSICIANS AND SPOUSES: Tapes from our Thirteenth Annual Physicians Conference are available at $7.00 each. Please contact CMF for further details.

Yes, I would like to help Christian Medical Foundation proclaim the new Spiritual Medicine.

Please find enclosed my donation for:

$_10.00 $50.00 $1,000.00

(501) 225-1547

Two Christian OB/GYN's need a third associate. We are both committed to Christ and wish an associate of like commitment. Located in a new office building, adjoining the largest hospital. Time for part-time missionary service. Please call before mid-January, as one of us will be in Africa after February. Write: Rodney L. Mirich, M.D. 1675 Leathy, Suite 428
Muskegon MI
The Littlest Angel

BOOKS • GIFTS • BOUTIQUES

Dear Friends of the Littlest Angel,

Our 1985 Physician's Conference at the Sheraton Sand Key in Clearwater was a huge success.

Our shop was as usual the focal point of the hospitality suite as doctors and their spouses did their Christmas shopping and visited at the same time. Friday afternoon everyone came by chartered buses to visit CMF and the Littlest Angel in Tampa. Upon their arrival, they were greeted by a violin quartet and treated to refreshments. The L/A was brimming to overflowing with Christmas. The tree was trimmed and loaded with every good thing; it was such fun to have Christmas in October. If we can help you to select a gift for someone special on your list let us know. Remember the shop was created to help CMF with its running expenses and we really do have beautiful, unusual gifts for everyone, as well as, your favorite books at our booknook. Our dream is to have a catalog for you to shop from. Pray along with us for this desire of our heart.

Everyone who visits the shop comments on its loveliness—that is because it was created by and for the Lord's purpose and He always does everything the most excellent way.

Have a blessed and Holy Christmastide.....

Love,

Kay

Address Correction Requested

11/85, 12/85
The Second CMF Southwest Regional Conference will be held at the Holiday Inn, Emerald Beach, Corpus Christi, Texas. Entitled "The Ministry Of Medicine," the program includes: E.P. Williams III, M.D., "The Team Concept Of Christian Patient Care;" Rev. Donald Anderson, Director of the Center of Religion and Health in San Antonio, Texas "Counselling And Ethical Considerations In Dealing With Emotional Illness;" William Reed M.D., "Christian And Ethical Concepts In The Practice Of General Surgery," and Kay Reed, "A Wife's Relationship To Her Doctor/Husband." Afternoons are free to enjoy the beach. Dr. and Mrs. Charles Kennedy are the hosts of this Conference. For more information, phone Dr. Kennedy at (512) 854 0811 or the CMF office at (813) 932 3688.

April 26

"Dilemmas In Medicine, A Christian Perspective," is the title for our Fifth Ohio Regional Conference to be held at the Royal Inn, Toledo. Dr. and Mrs. David Miller of Bowling Green are this year's hosts for this one day event. For further details contact the CMF office.

May 9-11

Announcing a Doctors and Spouses Retreat at the Potter's House in Louisville, Kentucky. For more information contact: Barrett Hyman, M.D. (502) 562 8605

October 1-5

CMF's Fourteenth Annual Physicians Conference will be held at The Don Cesar Beach Resort, St. Petersburg Beach with a medically accredited and spiritually challenging program. The Auxiliary program will be held concurrently. Free afternoons will offer time for relaxation and family fun, at the beach, tennis courts, swimming pool, health club or championship golf course nearby. The hotel also has special children's programs available. Plan now to join us.
Dear Doctor:

Christian Medical Foundation is updating its files due to the recent computerization of its mailing system.

Each day at Christian Medical Foundation lay people contact us requesting a Christian doctor in their area. We hesitate to give this privileged information without the physician's personal consent. We would appreciate it if you would please indicate below by checking the appropriate line, whether or not your practice is in a position to receive such referrals.

It would expedite our referrals if you would please have your secretary fill out the form below, giving us current information. Thank you for your assistance in this matter.

Very truly yours,

[Signature]

William Standish Reed, M.D.
