CRISIS

AMERICAN MEDICINE '85

OUR BEST CONFERENCE EVER!

"I was continually in awe of God's love, power and wisdom throughout the Conference and so thankful for such a blessing. The Lord is already opening up new opportunities to share Jesus and His healing power with patients and colleagues. I will be praying for CMF and keeping in touch." Dr. Melissa Aberg, Psychiatry, West Lebanon, NH.

"The Conference was uplifting, filling my cup to overflowing. It is so gratifying to talk with other medical people sharing the same goal of serving Jesus Christ. As each day passed at the Conference, I found myself growing bolder for the Lord. It is easy to feel intimidated by the world." Dr. Charles Davis, Family Practice, Conference speaker, Drakes Branch, VA

"The Lord through the CMF Conference was able to clarify once again His purpose for me in Pediatrics. It was also such a blessing to see so many Spirit filled doctors who love the Lord. Sometimes I feel like such a lone ranger in Buffalo." Dr. Thomas Dew, Pediatrics, Buffalo, New York

"I want to thank you again for an inspirational and an exciting Conference. I was really blessed by the time there." Dr. William Backlund, Orthopedic Surgery, Conference speaker, Redmond, WA

"Your generous support of my attendance at the Conference was so appreciated. I was encouraged and uplifted by seeing the work of the Spirit amongst my colleagues. My own spiritual walk was enriched. I hope to see you in the Conferences to come." David Yamabe, Medical Student, Edmonton, Alberta, Canada

"I want you to know what a special blessing came into my life through the opportunity to experience the presence of the Spirit in the Annual Conference of Christian Medical Foundation. I felt very much in tune with the special emphasis of each of the speakers but I was most touched by the Christ that I experienced in each person I encountered at that Conference." The Rev. John R. Peterson, Rector of St. John's Episcopal Church, Tampa, FL

"I would like to take this opportunity to sincerely thank you for your work of yourself and your staff for the 1985 Physician's Conference. I would also like to add that Anne and I enjoyed ourselves very much and were most appreciative of the format for the Conference this year which allowed sufficient time for interaction with our peers, as well as, time to be alone and digest the material presented in each of the sessions. We look forward to our continued work with Christian Medical Foundation International and to next year's Conference." Dr. Donald M. Denmark, Family Practice, Vice President, CMF of Canada, Petrolia, Ontario

"I first want to congratulate all of the CMF staff for a great Conference. I came back to Maine again filled with enthusiasm and ideas. God bless you all!" Dr. Robert Sholl, Family Medicine, Biddeford, ME
"Words are inadequate to express the impact the Christian Medical Int. Conference had on me. I returned to Springfield with renewed zeal and expanded vision. The first day back to routine I talked with three physicians and their spouses about the absolute necessity of plugging into this ministry. My prayer is that at least twelve physicians and spouses (from this area) attend next year. I have asked the Holy Spirit to use me as He sees fit to this end." Mrs. Jackie Curry, Business Manager, Christian Medical Fellowship, Inc., Springfield, MO

"I wish to express to you the very real enjoyment my wife and I experienced in being with you and the other members of CMF in Tampa... "I certainly benefitted from the scientific material presented and the obvious commitment of these my fellow physicians to Jesus Christ in making Him known through their lives and practice. I was impressed with the emphasis on being excellent physicians as well as disciples of Christ. The Conference was really worthwhile." Dr. James L. Fletcher Jr., Family Practice, Conference speaker, Augusta, GA

"Only God could ever make you know what this meeting has meant in my life. It won't ever be the same, and the patients today noticed a definite difference and responded so beautifully to the change in me."
Dr. Charlotte Cox, Gynecology, Macon, GA

"Just a note to let you know that this year's meeting was SUPER. ..."We loved the new hotel and think it was a great and refreshing change, and hope you'll go back there... The afternoons being open was a great advance." Dr. J. Lawton Smith, Ophthalmology, Miami, FL

"Just a short note to thank you so much for the invitation and opportunity to join in the CMF meeting. Both your actions, words and dedication truly show your witness to Christ. The power of the Holy Spirit was so powerful throughout the entire meeting. I realize how fortunate that I am to learn to incorporate Christ into my career in medicine (actually it is incorporate medicine into my Christian life) and I thank you."
Todd R. LePine, Medical Student, Hanover, NH

"The CMF Conference was a "great" spiritual uplift, I heard this expressed by all. Thank you for inviting me to share the wonders of God thru Jesus Christ. Everyone was so kind to us."
Dr. Howard Thomas, Family Practice, Conference speaker, Savannah, TN

Our Friday beachside luau at sunset was a favorite event. The string quartet from the Florida Orchestra greeted conference participants at the CMF tour and reception in Tampa.
