"And ye shall be unto me a kingdom of priests and a holy nation". Exodus 19:6.

"You are a chosen race, a royal priesthood, a dedicated nation (God's) own purchased, special people. That you may set forth the wonderful deeds and display the virtues and perfections of Him who called you out of darkness into His marvelous light". I Peter 2:9

For a number of years it has become a growing conviction that if man only knew who he actually is and what his destiny is he would modify his behavior in the direction of life rather than death. If as Israel we are a holy priesthood called unto light as Christ is the Light we should choose to seek enlightenment of spirit, soul and body.

In the pathology laboratory when cancer cells are viewed under the microscope they are often seen as dark and hyperchromatic. When man sins he often does so in darkness.

St. Paul informs us (Col. 1:13) "The Father has delivered us out of the control and the dominion of darkness and has transferred us into the Kingdom of the Son of His Love". He also informs us that (v.12) God has made us fit to share the portion which is the inheritance of the saints (God's Holy people) in the Light. In Isaiah we learn (9:2) that the "people who walked in darkness have seen a great light; those who dwell in the land of intense darkness and the shadow of death, upon them has the light shined".

Jesus spoke of this darkness which works illness and death in Matthew 6:22-23. "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light. But if thy eye be evil, thy whole body shall be full of darkness. If therefore the light that is in thee be darkness, how great is that darkness:" If one views those about him - his patients, his family, those who come his way, with love, kindness, helpfulness, hope, and Godliness - light will spring forth filling his entire body - including all of his cells. If at the Lord's Supper - man's heart is pure, he will see Jesus - and be made whole (I Cor.11:28-30).

If the Light of Christ and the light of the Gospel have the power of giving life (John 6:33, Col.3:4, II Cor. 4:4) and if the Word has the power of positively
affecting man's body - mind complex (Heb. 4:12) that is cutting between joints and marrow, soul and spirit certainly man must begin to realize that wholeness is directly proportionate to Godliness. Godliness must affect immunity. Lack of Godliness (overt sinfulness) produces immunity deficiency (AIDS). Cancer is produced through deficiency in the immune system.

The germ-plasm must be guarded from unholiness. One great American pathologist (A.S. Warthin) developed his whole philosophy of life on the sanctity of the germ-plasm. (See "Creed of a Biologist" - Warthin). In considering AIDS - and cancer (which seem somehow linked) it is of interest to see what is indicated by St. Paul (Romans 1:27) "And the men turned from natural relations with women and consuned with lust for one another, men committing shameful acts with men and suffering in their own bodies and personalities the inevitable consequences and penalty of their wrong doing".

If the germ-plasm is holy and through it life on our planet is continued, it is gross darkness and sinfulness for the germ-plasm to be regarded or used in any sinful way ("Every sin that a man doeth is without the body; but he that committeth fornication sinneth against his own body" ICor. 6:18).

The germ plasm in contact with or invading colonic mucosa can conceivably create an abnormal cellular response making the immune system progressively unable to function. (When spermatozoa and ovum unite an immune reaction occurs preventing rejection of the foreign being in the female's womb (the embryo - fetus). AIDS may well occur in the male because it is spermatozoa produced. Thus it does not occur in lesbians.

The answer is a return to holiness - the rejection of evil - the finding of Christ and His Holy Life. The treatment of AIDS will, I feel, ultimately be in the realm of Psycho-Spiritual Therapy. Homosexuality must be stopped along with all other anti-life sinfulness against God and against life giving germ plasm. This must also include abortion. If illness springs from lack of spirituality, healing and the prevention of illness must come about through the subjection of man's spirit by the Spirit of God (Jesus Christ). (John 6:33, Romans 8:6) Let us therefore press on towards the high calling which we have in Jesus and put aside the things of the flesh. Let us live in the Light as He is the Light. "Lighten our darkness we humbly beseech thee, O Lord."

SUMMER FINANCIAL NEED AT CHRISTIAN MEDICAL FOUNDATION

Recently Kay was going through papers in a desk which we rarely use. Among the papers was the original CMF Newsletter sent out from Henderson, Texas in 1962. The letter outlined a dream for a healing hospital where prayer and spiritual healing would be a primary aspect of patient care. It consisted of an appeal for help sent out to those who might have shared the vision. It could have happened. Such a wonderful thing as a Healing Hospital could have happened. Later on in 1964 in Medford, Oregon we tried again. This time the hospital existed - beautiful, well equipped, well staffed and greatly needed. Again - somehow very few caught the vision. Back in Tampa in 1966 we determined that the world was our hospital. (John Wesley wrote his sermon "The Trouble and Rest of Good Men" in September 1935. "The whole world is indeed, in it's present state, only one great infirmary. All that are therein are sick of sin, and their one business is to be healed...") Now, twenty-seven years since the first OSU lecture on the subject - we still press on. The healing hospital and the Bethesda center for the teaching of Christian healing medicine still are non-existent. But the counseling center and the Christian doctors organization do exist and God continues to bless as we keep on. Many help CMF with donations. Many more do not and have never given nor seek any reason to do so. If Jesus pricks your heart to help CMF during the months ahead when giving dwindles alarmingly - please give Him heed. Our budget requires $20,000 per month. If you could give from $10 to $100 today - we can make it through. And perhaps - the vision will become a reality soon. Here at Christian Medical Foundation we keep on praying and hoping. Please join us and please help.

MARION W. GRIFFIN, JR., MEMORIAL

Scholarship Fund

Dr. and Mrs. Reed, the OMF Board of Directors, and staff wish to extend their deepest sympathies to Dr. and Mrs. Marion Griffin and daughters in the recent tragic death of their son. Christian Medical Foundation will offer in memory of Marion W. Griffin, Jr., a $500.00 Scholarship to be given annually to a first year Christian student entering a United States or Canadian Medical School. Application for this scholarship must be made to Christian Medical Foundation International at least three months in advance of the first day of classes at the Medical School for that year. During calendar year 1986, applications can be made until August 15th. The final decision as to who the recipient will be shall be made by the Board of Directors of OMF. The choice will be made on the basis of need and academic ability as well as total Christian commitment.

If you would like to be a part of this memorial scholarship, please contact the OMF office. Condolences may be sent to the Griffins at: 716 South Park Street, Asheboro, NC, 27203.

Call to Prayer

PRAYER:

Our Father, we ask your blessing on those assembled who attempt to do your bidding through administering to the illness, anxieties, and injuries of others.

Make us concerned for the plight of others, strong in our resolve to go beyond simply regarding those who entrust us with their care as diseases which require certain diagnostic tests and treatments.

Remember that we too are weak.

Instill in us your spirit, never-failing, never-ending which will enable us to be whole and give us the strength to cope with the moral and ethical dilemmas which we face daily.

Bleed from us arrogance, avarice and pettiness. Transfuse us with your love, humility, and a desire to serve our fellows.

May we accomplish what we as humans, created in your image, are able to achieve in Christ’s name.

AMEN

The above prayer was given at the First West Virginia State Medical Society Prayer Breakfast, January 25, 1986, at Charleston, by David Morgan, M.D. President, of the West Virginia State Medical Association.

Dr. Reed was the Prayer Breakfast’s keynote speaker.

Dear Friends:

The renovation of the Littlest Angel is in high gear. For those of you who may not have heard, the little house on the property has been given to the Littlest Angel. We are in the process of tearing down the inner walls, installing new electrical work, a new cooling and heating unit, and plumbing. I recently offered a lovely stained glass angel to all our friends who would like to be a part of this renovation by donating a gift of $100.00. To date, $9,000.00 has come in. Our project goal is $15,000.00. There is still time to be a part. If you have not ordered your angel, do so today!

Our present Littlest Angel building will be used for books and stationery and will give us ample room to increase our stock of books. We also have lovely paintings that have been donated. Excitement is in the air as we are working to complete the new Littlest Angel for the fall Dr’s. Conference.

This year when Judy Crouch and I go on our fall buying trip the end of July it will be very special, as we will be buying for the new shop. We are interested in using antiques in the shop as appointments and as back drops for merchandise. If you have any antiques you do not need, please let us know.

My dream and prayer that the Littlest Angel will be a source of income for CMF running expenses is becoming a reality. We will select a gift for you, gift wrap it and send it to your favorite person. Simply tell us the amount you wish to spend, the recipient, and the occasion. Remember – to buy from the Littlest Angel is to help CMF.

Love,
