CROSSROADS

"These are the words of the Lord, stop at the crossroads; look for the ancient paths; ask where is the way that leads to what is good? Then take that way and you will find rest for your souls."

Jeremiah 6:16

Doubtless it is true that many thinking people realize that as individuals, as families, and as a society we are truly standing at a crossroads. Many erroneously look to new revelations and philosophical systems springing from the New Age as well as other philosophical movements of the day. We must look to Jesus Christ who is Truth, the Way, the only Way to peace and hope, in all times past and today as well.

We are admonished by the prophet Jeremiah that as we stand at the crossroads, we should consider the ancient paths and walk in them. This will give peace to our souls. The ancient pathways are the pathways of the Law, the keeping of the Ten Commandments, and the Commandments of Christ to love God with all of our heart, soul, mind and strength and to love our neighbor as ourselves. We also are told to seek the Kingdom of God and His righteousness as first priority.

As we begin a new year, it is well to consider the Christian roots of our national origins and development. We should read again the Mayflower Compact and consider the Christian origins of our Constitution and our government. God has so abundantly blessed our nation in times past and surely if we continue to walk in His ways, we will find peace for our souls.

As we stand at the crossroads we must determine to follow the ancient paths of peace and healing. Let us as followers of the Lord Jesus Christ, empowered by the Holy Spirit, and honoring His Word, resolve to stand against the sinfulness of the present age. Let us fight for right as God gives us the ability to see the right and to stand for the right even if we have to stand alone. This applies to the Church, the school, politics, Medicine, and to every aspect of life and occupation. Let this be the resolve of Christian Medical Foundation and all who are part of this work. Let us not fall into the sin of stifling the truth of God and His Word. Let us not refuse to honor God or to render unending thanks to Him. Let us walk in His Wisdom and in His guidance and direction. Doing so, God will abundantly bless our endeavors in the coming year and all time to come.

CONCERNING CMF FINANCES

As CMF enters 1989, we must remind our supporting friends that your Foundation requires at least $20,000 per month in order to function. If everyone who receives our newsletter would send a small monthly contribution, the financial pressures at CMF would be totally relieved.

If CMF had mortgages on its property and large expenses for equipment, we would surely have "gone under" by this time. Due to the blessings of our Lord Jesus Christ, we do not have these major debts so we are able to proceed locally and nationally.

As a part of your New Year's resolution, please consider a monthly contribution to CMF.

Please pray for Christian Medical Foundation in 1989. Pray for our continuing strength and for our ability to hear what God is saying not only to us individually but to world Medicine. Pray for CMF's financial support and pray for our continued anointing in the Holy Spirit.

God bless you and keep you in 1989 as we enter a new year of great opportunity of service to the Lord Jesus Christ. Pray also for those who will be going with us from Christian Medical Foundation to Guatemala for a Medical Mission in March. If you are interested in going, please let us know as soon as possible.
