THE PATH AHEAD

by William Standish Reed, M.D., M.S.
Founder and President CMF

Special thanksgiving from all of us here at CMF headquarters to all of you who gave so generously in December. We are going into 1989 with all running expenses paid, with new roofs on both buildings completed and paid for, and with new pews in the chapel installed and paid for, thanks to several dear donors, to St. John's Episcopal Church in Tampa, and the Reverend John Peterson. A gift by one dear friend gives the funds for cushions for the pews. We will also be able to update our computer system which has been an increasing problem this past year. How good is our Lord Jesus!

Beginning a New Year is usually quite exciting and filled with expectations. This is especially true when one is in his college days and in early adult life. Later on, the pressures and concerns of life make launching into a new year more worrisome, especially if illness or retirement are part of the anticipation. How wonderful it is to know that whether one is young or old, God's Word has told us that "He will never leave or forsake us." (Hebrews 13:5) Also we are informed that "No weapon that is formed against us will prosper." (Isaiah 54:17) Consider also III John 2, "I pray that in everything you will prosper and be in health, even as your soul prospers." God is still on the throne! The windows of Heaven are opened wide and God's blessings are pouring forth! If we ask anything in His Name, He will grant our request as we ask in faith believing.

We have also become aware that God is pouring out an unusual anointing for healing during this same time. One dear lady with a "mass" in the left lung was found on re-examination by x-ray study to have no mass! In another instance an abnormality in the thoracic spine on bone scan was determined to be of no consequence on MRI scan. Numerous healings of all types have been occurring at the altar of CMF and in CMF meetings in various places. In addition, CMF has increasingly functioned to point many people to Christian physicians across the U.S. and Canada. At present, we are developing an International Christian Physician Referral Network.

Pray for CMF, especially this year. It is going to be a wonderful, healing year. Please continue in your monthly giving. Our budget requires $20,000 per month. God bless you and keep you.

Dear Friends of the Littlest Angel

A Happy, Joyous and Blessed New Year to each one of you and your family. May it be a special year of spiritual fulfillment in our lives and the lives of our families.

Our Doctors' Conference is past and was wonderful in every way. The Littlest Angel played a big part, especially for the Doctor's wives who always Christmas shop with us.

We had a wonderful response to our first "Angel of the Month" and for the second angel we are offering one of our Sun Ray Angels in beautiful stained glass. These are the angels that made it possible to create the present Littlest Angel. The new angels are in polished brass trim and are very beautiful.

Let us select an angel for you or for that special person in your life for Valentine's Day. We will gift wrap it and send it off for you.

The Word has much to say about angels. They are special in God's creation and St. Paul tells us in Hebrews that angels minister to us, the saints.

As winter is upon us, come and visit us in the sunny South. At our Tuesday meetings we look forward to all our friends from the North returning. Dr. Reed and I invite you to be a part of our classes. We meet each Tuesday at the Foundation.

God Bless You,

Kay
