TO GET PRAYERS ANSWERED

by William Standish Reed, M.D., M.S.
Founder and President CMF

How does one get his prayers answered? Jesus said we must abide in Him and His words must continue to live in our hearts. (John 15:7) We can then ask what we will and God will answer us. In John 6:63, Jesus said that His words are spirit and life.

How many of the 1599 sayings of Jesus Christ recorded in the Bible do you know? Do His words live in your heart? Have you ever made a study of the statements of Jesus? Is "abiding" in Jesus actually spending time in prayer and meditation communing with Him? Do we spend one hour of twenty-four in the Word and in prayer?

Have you ever cast out devils or laid hands upon the sick? (Mark 16:17, 18) In general, is modern man at fault for profound ignorance of God's Word and in particular, knowing the words of Jesus? Has modern man developed a gradual disbelief in the importance of Scripture? It can well be said that herein lies the true etiology of most of the illnesses of today's society.

It is as John Wesley said at St. Mary's, Oxford (9/21/1735), "The whole world is indeed in its present state, only one great infirmary. All that are therein are sick of sin; and their one business is to be healed." The answer is obedience to God's Word, "Obedience leads to righteousness which in turn leads to holiness and holiness to eternal life." (Romans 6:16, 19) Are my prayers not answered? Are my body and my mind enveloped in illness? The etiology of the problem lies in not seeing God's Kingdom as a primary endeavor, not knowing the Words of Christ, being disobedient and thus unrighteous. The correction is spiritual; and healing, including answered prayer, lies in the correction of our problem: surgery of the soul.
