SIGHT AND SPEECH IN THE TEMPLE

by William Standish Reed, M.D., M.S., Founder and President of CMF

In a recent dissertation concerning Neuro-Ophthalmology, Dr. J. Lawton Smith of the University of Miami commented that everything seen by man must pass into the brain through the optic chiasm. The optic chiasm is cruciate in its form, so Dr. Smith said that everything one sees must go through the cross. This interesting analysis has special meaning for the Christian who must learn to see everything through Christ. It is also true that man sees through the effect of light, even diminished light via the rods and cones of the retina. Those who are blind do not see because they can not perceive light. Thus, the retina cannot transmit sight via the cross (the optic chiasm). There must also be receptivity through the centers of the brain, which receive the messages of sight from the retina via the optic nerves. Jesus is the Light (John 1) and He has told us to walk in the light and to see through His light. If we are in darkness, we cannot perceive Him, transmit Him, or be able to understand or see His message cerebrally. (Matt. 6:23) In order to do so, man must have transformation of his entire neuro-opthalmologic system. (Romans 10:1-2) Thus, even man's seeing mechanism must become logopsychosomatic!

In the same way, there are speech centers in the brain as well as the mechanism of speech which involve the lungs, diaphragm, respiratory passages, larynx, mouth, tongue, and lips. Problems occurring in the brain due to stroke, tumors, and infection cause speech difficulties which may be either an inability to speak or abnormalities of speech. From the spiritual viewpoint, if the speech centers are filled with evil (vulgarity, profanity, blasphemy), the speech coming forth from the person will be evil. "How can ye being evil speak good thoughts for out of the abundance of the heart the mouth speaketh." (Matt 12:34) If our speech centers are filled with the Holy Spirit we can pray with "sighing" too deep for utterance regarding our infirmities. Speaking is done through expiring, the air laden with CO₂ passing through the vocal cords and through the mouth and nasal passages. Jesus said that it is not the breathing in, inspiring, that causes trouble in man but the breathing out. "What comes out of the mouth comes out from the heart; and that is what defiles man." (Matt 15:18)

If one considers his body as the temple of the Holy Spirit (1 Cor. 6:19), he can see that just as the ancient tabernacle was divided into three partitions: the Outer Court; Holy Place; and the Holy of Holies; so is the human body: peritoneal cavity; pleural cavities; pericardial cavity. In the Holy Place there was the table of Shewbread, the seven branch candlestick with oil, and the altar of incense. In man's temple occupying the Holy Place are: the table of Shewbread representing Jesus, our spiritual food, our manna; the seven branch candlestick with oil representing the sevenfold Holy Spirit; and the altar of incense representing our prayer and praise mechanism. In man's body the altar of incense may be perceived as his larynx. The incense consists of the prayers and praises to God going forth from the heart via the vocal cords. (Psalm 141:2, Rev. 8:3-4)

We are fearfully and wonderfully made. Selah, pause and think of that.
CONCERNING CHRISTIAN MEDICAL FOUNDATION FINANCES

I've just come back from a two week surgical trip to San Marcos, Guatemala. Those of us who went this time saw a multitude of patients and did many operations on adults, children, and babies. Our results were extremely gratifying and successful. Besides that, we prayed for people in the hospital and in the churches with signs and wonders following. Jesus Christ is not dead. His Holy Spirit is alive in a fascinating way and the world, from this point on, will be in a crescendo of benefits and good, emulating from our healing and blessing Savior, Jesus Christ!

Since the early part of January of this year, Christian Medical Foundation has been operating on about 50% of the funds which ordinarily come in. Doubtless, this is a result of the recession, the Iraq War, and the multitude of other factors. Coming back from Guatemala we find salaries unpaid, bills unpaid, and a critical situation facing us in the Foundation. As a result, we are cutting back some of our operations and are modifying our mailing list. This is occasioned by the rise in mailing costs and by our critical financial condition. I ask you to pray, to hold Christian Medical Foundation up before the throne of God's grace and to ask that the Lord will bless CMF of the U.S. and Canada in a most unusual and wonderful way in the days ahead. If this does not occur, it may be that the cloud by day and the pillar of fire by night is moving us onward into some, as yet, unknown area of endeavor. In the midst of all of this, Kay's Littlest Angel has been doing well and has transfused the Foundation with almost $5,000.00 since January 1! If it hadn't been for that and for two or three special friends who have lent funds to the Foundation, it is possible that this Christian medical work would have already gone under. If this speaks to you, please know that this is not just theory but is actual fact, and although I've been blessed by being in the midst of God's outpouring of blessings and healing in Guatemala, we are somewhat disheartened at the apparent decrease in generosity toward this work with its record of thirty years of fabulous accomplishment. Thanks for listening and praying.

ATTENTION PRE-MEDICAL STUDENTS!!

The Board of Directors of CMF is now accepting applications for the Marion W. Griffin, Jr., Memorial Scholarship. The scholarship was established to encourage dedicated Christian medical students entering their first year in a United States or Canadian Medical School. This year's scholarship of $2,500 will be awarded on the basis of need and academic ability as well as total Christian commitment. To apply, write a letter to the Board of Directors, outlining your experience with Christ, financial need, and qualifications. Letters may be sent to: Christian Medical Foundation, Board of Directors, ATTN. Lyn Thornton, 7522 North Himes Avenue, Tampa, FL. 33614-3205. Deadline 6/30/91.

CHRISTIAN MEDICAL FOUNDATION

PRESENTS ITS

19TH ANNUAL PHYSICIANS' CONFERENCE

ANATOMY - PHYSIOLOGY - SPIRITUALITY

OCTOBER 2-6, 1991

AT THE

TAMPA AIRPORT MARRIOTT HOTEL

TAMPA, FLORIDA

HAVE YOU REMEMBERED

CHRISTIAN MEDICAL FOUNDATION

IN YOUR WILL?
DEAR FRIENDS OF
THE LITTLEST ANGEL,

Springtime has arrived in Florida. Flowers are ablaze everywhere, spring rains have washed the Earth, and a lush green is the result. Eastertide 1991 has come and gone, but Resurrection Day in our hearts is the evidence that He is risen and is alive today. In a world of no lasting hope, this is Hope to those who believe and those who are searching.

Springtime has burst forth in the Littlest Angel also, the shop is alive with color, a beautiful variety of new angels, appointments for your home, June wedding gifts, and that special someone’s birthday or anniversary.

We have a complete line of Fitz and Floyd, Omnibus China, as well as James Avery gold and silver jewelry, handmade Hungarian linens, Claire Burke potpourris etc.

You are invited to join the Fontanini collectors club, a wonderful selection of special editions by Roman of Italy. If you are interested, write me and I’ll send you the details. We of course have a complete line of Roman Italian angels, Reco angels, Wimberry angels, Glass House angels, and many, many more wonderful lines of angels. Also, we carry the original Bluebird of Happiness from Fayetteville, Arkansas. They are hand blown glass and are a beautiful cobalt blue.

Our book store has the newest Christian books for the family on parenting, marriage, divorce, devotions, as well as stationery, and Marian Heath European Collection greeting cards.

Please drop in when you can, or if I can help you select a gift for your loved ones, call or write to me. I would be so happy to help you in any way I can. Have a beautiful Springtime!

Love,

Kay

BOOK OFFER

We are offering Rus Walton’s book FACS Fundamentals For American Christians Volume One again this issue.

“The American Association of Christian Schools is delighted to endorse FACS and encourages you to read it thoroughly. It’s Fundamental for American Christians,” (Dr. Arno Q. Weniger, Jr., Executive Vice President of the American Association of Christian Schools) We are offering this book at a reduced price of $4.99.

The book, Finally, Good News For AIDS, really addresses this very serious problem. We can send your copy for $6.95.

We are also offering The Manufacturer’s Handbook The 4-in-1 Gospel For King’s Kids by the late Hal Hill.

“At last! The life of Jesus in a single beginning-to-end narrative. Here, the gospels of Matthew, Mark, Luke, and John are interwoven so there is no more skipping from one gospel to another to get the whole story.” We are pleased to offer this book for $9.00.

Please send me:

- copy(ies) of FACS-1 PRF290001 at $4.99 ea.
- copy(ies) of Finally, Good News For AIDS VCC2032708 AT $6.95 ea.
