CMF As Autumn Nears

by William Standish Reed, M.D., M.S., Founder and President of CMF

September was always a joyous month for me especially during university and medical training years in Ann Arbor. It usually started to get colder around registration time. Leaves began to fall and the rain in September falling on the leaves created an unforgettable sweet and pleasant aroma. Starting new classes, meeting new friends and teachers; Septembers in Michigan, for me, were always special and exciting.

These days, in Tampa, when September comes, it is still summer and very warm and there are great afternoon showers and violent thunderstorms. This year we had to contend with hurricane Andrew and its tragic aftermath in the Miami area. Lawton and Lib Smith went through the storm unscathed but their home is severely damaged. Dr. Vance and Nell Byars of Baton Rouge went through the storm without major problems but may need a new roof. Billy Marmande, Madelyn and the boys are OK.

As we prepare during September for our annual meeting it is a month of great activity here. This year we will be meeting at the Clearwater Beach Hilton, October 7-11. The program is exciting and will be clinically and spiritually profitable. The practice of Medicine is changing virtually everyday and only Jesus and His Word through the Holy Spirit can be our "Ray of Hope" in the increasing darkness.

Please plan to be with us. Call in your reservations today. Christian Medical Foundation still stands as nationally we see the other Holy Spirit oriented organizations having great problems or falling victim to satanic attacks. Hopefully the Oral Roberts Medical school and Hospital graduates will find anointed fellowship at our CMF activities here and in Canada. We are very thankful to the university of Florida and Dr. George Richard for making it possible for our conference to again have sixteen hours of CME, Category I credit.

In Dakes Bible there is a footnote regarding Exodus 23:2 which says, "Stand for the right if you have to stand alone." St. Paul admonishes us in Ephesians 6:13, "Wherefore take unto you the whole armor of God, that ye may be able to withstand in the evil day, and having done all, to stand." For those of us in medicine who are standing, let us stand together, for Jesus Christ in medicine, for the Holy spirit and His power in our lives, our homes, our practices and for God and His word in an increasingly evil world. We have the message, we have the hope, we possess the remedy and we have the power though we be few and the foes against us are increasing and fearsome. Though we be like David in the cave of Adullam, victory is assuredly ours through our wondrous saving Lord Jesus Christ.

ART COLLECTORS PLEASE NOTE:

On Saturday afternoon during the conference, at the CMF center in Tampa, we shall conduct an art exhibit and give you an opportunity to purchase beautiful paintings and other art objects. Please consider giving a painting to CMF (you will receive a non-cash receipt for the value of the piece for your income tax purposes). Then you may wish to purchase a new painting for your home. Proceeds will go toward the CMF scholarship funds.

Idea submitted by Dr. Parsons, Kissimmee, Florida.
Thanks James.
POSITIONS AVAILABLE/DESIRED
