"Thou wilt show me the path of life: in Thy presence is fulness of joy; at Thy right hand there are pleasures evermore." Psalm 16:11

It is a wonderful and a most edifying thing to attend Church and to hear the lessons as well as to join in on the singing of the psalms. God always speaks to me during these glorious times. Upon our first visit to Edinburgh, Kay and I attended services at St. Giles Presbyterian Church on the Royal Mile. In Scottish tradition the psalms were sung by the choir and congregation. I remember the psalm which was sung vividly. "If it had not been the Lord Who was on our side, now may Israel say; If it had not been the Lord Who was on our side, when men rose up against us: Then they had swallowed us up quick, when their wrath was kindled against us: Then the waters had overwhelmed us, the stream had gone over our soul: Then the proud waters had gone over our soul. Blessed be the Lord, Who hath not given us as a prey to their teeth. Our soul is escaped as a bird out of the snare of the fowlers: The snare is broken and we are escaped. Our help is in the Name of the Lord, Who made Heaven and earth." Psalm 124

The Psalm spoke to me in Edinburg years ago— and here in Tampa recently. God is on our side. He has not allowed us, and Christian Medical Foundation, to be swallowed up or to let the proud waters to wash over our souls. He has carried us through. And yes, He has shown us the path of life and has allowed us the privilege of sharing the path of life with many, many others; the depressed, the suicidal, the hopeless, the despairing, the lost, the dying. This has been true in the surgical practice and in the healing ministry of the Foundation. Like Johnnie Appleseed of yore, we've been privileged to sow the seed of the Christ life hither and yon across the world. The wee trees of life and the larger oaks of righteousness have taken root and are growing, growing.

It has not been an easy climb as we've scaled the cliffs and clung to the chimneys and the rocky ledges. Many times we've felt that we'd not last on the side of the cliff with the winds of persecution and misunderstanding buffeting and blasting. We learned again and again that our help is in the Name of the Lord and not in man. We've not achieved the top of the Mount yet but we "press onward toward the mark for the prize of the high calling of God in Christ Jesus." Philippians 3:14 "Thy Word is a lamp unto my feet, and a light unto my path." Psalm 119:105

"Who shall separate us from the love of Christ? Shall tribulation, or distress, or persecution, or famine, or nakedness, or peril, or sword?" Romans 8:35 Jesus has been with us all the way and He will "never leave us or forsake us."

Somehow we are still here. More people are attending our healing services and being counseled than ever before. Kay and I will be speaking at conferences in Long Island, Arkansas, Minnesota, Alberta, and Ontario this Spring and Summer. In the midst of the Washington assault upon the Great American Medical System, God is turning the hearts of physicians, nurses and patients back toward the Living Word and His Hope. We cannot abort and euthanize and expect God's blessing. We cannot forget God and His Christ and see anything but failure. At Christian Medical Foundation we hold Christ's banner high and we press on. In the midst of dwindling support we will press on, no matter what, our resolve is as in Psalm 119: 106, 112, "I have sworn and I will perform it." "I have inclined mine heart to perform Thy statutes alway, even unto the end."
