Psalm 9:1 - "I will praise Thee oh Lord with mine whole heart; I will show forth all Thy marvelous works."

Psalm 8:3,9 - "When I consider Thy heavens, the work of Thy fingers, the moon and the stars, which Thou hast ordained,...Oh Lord, our Lord, how excellent is Thy Name in all the earth!"

Recently, I received from Port Huron Michigan an invitation to my high school class' 55th reunion. As I reflected on this, it occurred to me that in 1955 my medical school class will celebrate its 50th reunion! In all of these years, what has been the most outstanding feature of my life and what stands out foremost in my mind?

Since most of my adult life has been spent in the practice of Medicine and Surgery, I must say that having found the Lord Jesus Christ and the power of the Holy Spirit in my life and seeing the Lord Jesus work in my practice and in the healing of the sick have been foremost in my thoughts. I also am most thankful for my wonderful family, my children, and my grandchildren. I am so thankful for the wonderful patients which God has sent my way during all these years. The founding of Christian Medical Foundation and CMF of Canada in addition to working with the Order of St. Luke, Camps Farthest Out, the Christian Ashram Movement Faith at Work, and the Full Gospel Businessmen, have been a marvelous aspect of my life. It has been wonderful to find the truth of the healing power of the Lord Jesus Christ and the infinite power of God's Holy Spirit.

This past Thursday night, May 5, Kay and I went to the pinning ceremony for a group of 141 graduating registered nurses. In the class was one of our CMF members of "The Order of the Broken Arrow. Our friend, David, had been through a lot of turmoil in his life including being in the Marine Corps in Vietnam. During his time of study in becoming an R.N. there were many situations in which he did not have food or money to buy clothing or even to keep tires on his car and the telephone functioning. David not only has his Bachelor's Degree but also has his Master's Degree in Business. At one time he and his former wife were studying for the ministry. It was a fantastic triumph for the Lord and for the friends of Christian Medical Foundation, to see this young man graduate with a great smile of victory on his face and with both arms raised in praise to the Lord.

So it goes with the healing ministry which includes not only the physical body but also the psyche (the soul). Beyond this and most importantly is the miraculous life of the Spirit. This is what CMF exists for!

We have prayed for thousands of people and seen the miracle working power of Christ's healing virtue wonderfully manifested in the here and now. We've established a medical and a paramedical nursing organization which has given medical students and nursing students a new hope for the spiritual practice of Medicine and Nursing.

We look for the soon return of the Lord Jesus Christ to claim His own and then to subsequently return to straighten out the chaos of an ever increasingly chaotic cosmos (world system). We look for the total defeat of the gods of this world and all of his forces of evil. We feel that the Christian operates in the accomplished victory of the Lord Jesus Christ, and that he is not to be dismayed because of all of the outcries of the media, the noise of television and the theaters, the noise of raucous music, and the increasingly bellicose rumblings coming from the streets.

We stand for righteousness, holiness, and for a praying, blessing, healing Body of Christ. We are extremely thankful for the fact that God has allowed us to be present at this thrilling and challenging time. We feel that the time has come for us in Medicine and in Nursing and those with us to stand foursquare on the Word of God and not to be submissive, vacillating, compromising, or in any way anxious.

As we face one of the busiest and most thrilling summers which we've ever had, we look forward to times of great and marvelous blessings pouring out to all of those who love the Lord and His wonderful Word.

In thinking about all of the above facts, it is indeed amazing to consider the fact that God Himself has supplied the Foundation without major endowments or great financial contributions. Our work we've often said is largely a work supplied by widow's mites.

There are many who receive our newsletter who have never contributed to the Foundation in any way. There is a loyal 2,000 out of a mailing list of 12,000 who carry most of the load. However, we continue to trust in the Lord daily to supply our needs.

Please pray for our CMF missionaries in Guatemala: Henry and Novelle Dumas; in Kenya: Charles and Marlene Fraley; and in Uganda: Chris and Jane Palacas. Also pray for Dr. Peter Knight, Dr. Larry Capps, Dr. Michael Elmore, Dr. Joseph Stokes, as well as large numbers of other physicians and nurses who've gone to Central America and elsewhere, including Rumania and Russia, carrying the blood-stained banner of Jesus Christ and proclaiming the unsearchable riches of Jesus as they heal, the sick, raise the dead, cleanse the lepers, freely giving for freely they have received.
