The 27th Annual International Conference of Christian Medical Foundation, CHRISTIAN MEDICINE IN THE MILLENNIUM was held on September 12-17, 1999 at the Kanuga Conference Center in Hendersonville, North Carolina.

Dr. Bill Reed and Kay welcomed our many CMF friends.

Dr. Robert Cantrell shared scientific truths revealed in the Bible.

Dr. Joseph Stokes speaks of his life as a Urologist, as a Christian, and the husband of a wonderful wife.

Daythel Stokes shared her faith and her love of Jesus in their marriage.

Dr. James Lee spoke on surgery and prayer.
Dr. J. Lawton Smith inspired us all with his lecture concerning the possibilities of God's retribution in our current lives as physicians.

Dr. John Patrick of the University of Ottawa, Canada, gave three great lectures relevant to where we are today in our very stressed and fragmented world.

Psychiatrist Al Harley gave two inspiring lectures, one on marriage and the other comparing the Exodus with our situation today.

We welcomed many new friends and welcomed back many friends we had not seen for a while.

The Rev. William Beachy, M.D. blessed us all with his great baritone voice, his trombone, and the Eucharist. Bill received the Ephraim McDowell Award for excellence in medicine, a well deserved honor for a great friend.

Dr. and Mrs. Jack Cooper bought, at the auction Barb Wolfe's latest work of cross-stitch art, blessing us all with their love and generosity. Thanks Jack and Grace, and thanks Barb. You've done it again!

Some of our attendees gathered for a group picture after our evening social in the fireplace room. Here are some of the greatest doctors and spouses of American Christian Medicine.

A few of the Auxiliary gathered for a group picture.

Dr. Tom Hunt observes a great fishing spot.

Dr. Jim Hyman takes a minute to read and enjoy God’s wonderful world of nature.
Lyn Thornton, Eleanor Rollins, and Barb Wolfe, attempt to pack their car after a shopping spree in quaint Hendersonville.

Betty Motsinger, of Burnsville, North Carolina, a wonderful friend of CMF, heads home to her retreat center, High Pastures.

As the evening falls on Kanuga, the geese settle on the lake and the chairs sit empty. We hope to meet you again on the porch, overlooking the lake at our October 1-5, 2000 meeting.

Dear Friends of CMF,

The 27th Annual Conference of Christian Medical Foundation was wonderful. The lectures were anointed and informative as well as inspiring. God blessed the meeting in an unusual way as we met for our last meeting of this century. We must pray ardently and persistently for our physicians and our country.

Let us aim toward blessing CMF between now and the New Year with generous financial giving. If everyone who receives this newsletter would send a God directed gift, we can start the New Year in a most blessed way. Please pray about this since the present need is great.

SEE YOU NEXT YEAR OCTOBER 1-5, 2000!
