THE EAGLE AND THE BOY

It was the summer of 1932. The Gospel Tabernacle in Port Huron, Michigan had finished its annual vacation Bible School. The boy, now ten years old, had accepted Christ and had preached his first sermon. He spoke on the ladder reaching up to Heaven. That night during his sleep he saw a great golden eagle coming out of the sky and landing beside his mother’s beautiful rock garden. It just looked at him as if to galvanize the vision into the boy’s mind for a lifetime. He then ascended into the clouds, a gigantic bird, amazing but not frightening, yet powerful, beautiful, and awe inspiring.

Years later the boy had become a surgeon as well as a practicing Christian. Driving from the hospital to his office one day, he chanced to go by a beautiful antique showroom. There in the window was a great golden eagle. Turning back he entered the store and found that the eagle was the huge lectern eagle from the Anglican Cathedral of Chichester, England. The eagle stood on a globe which stated “Blessed are they that hear the Word of God and keep it.”

Today the eagle stands next to my desk in my inner office at Christian Medical Foundation Center in Tampa. He constantly reminds me that God called me to be His servant over 65 years ago, cautioning me to keep His Word—His Healing Word, His Saving Word, and His Redeeming Word as my constant guide. May it be always thus.

Dear friends, pray for us—for Christian Medical Foundation, our United States of America, Canada, Guatemala, Bahamas, Bermuda, Western Europe, Poland, the Ukraine, and Czechoslovakia. These have been my areas of endeavor in God’s vineyard. Pray for our health, our expanding vision, and our amazing opportunities to serve our risen Christ. Pray that God will provide immediately a new Healing Chapel and a great fresh healing and anointing of His Holy Spirit.

“While we have time. Let us do good unto all men; and especially unto them that are of the household of faith.” Galatians 6:10 “To do good, and to distribute, forget not; for with such sacrifices God is well pleased.” Hebrews 13:16

The above message was sent as our CMF newsletter in January 1998. A request was made for prayer for “a new Healing Chapel and a great fresh healing anointing of His Holy Spirit”. Thank you all for your prayers and your giving which has brought about our beautiful Chapel of Healing. We have totally redone a 1929 Advent Christian Church near our CMF Center. The church had stood idle and forlorn for at least a decade. It now is absolutely beautiful inside and out. Our first healing service was held on September 12 as we began our new year of preaching God’s Word and healing in Jesus’ name.

The Lord Jesus has shown me that our chapel is like Normandy or the Anzio “beach head”. Our beach head is on the shore of the Kosmos (the world system) and we
are beginning to retake our nation for Christ, which the enemy has considered to have taken into the satanic realm. We are an awakening vanguard reminding our nation that we belong to God and that He alone is the God whom we love and serve.

“Blessed are those who hear God’s Word and keep it.” The great golden eagle is leading us on. It is a time of the re-awakening of God’s holy healing and delivering power. Let us dedicate our lives and our sacred honor to the great and conquering cause of our Healing Savior. As Born Again, Holy Spirit led children of our Living God, let us shout forth His praise and His total victory. We must stand against the carnal mind and its death producing false message and proclaim the Spiritual Mind which is true life and beautiful peace. Hallelujah!

Hallelujah!

William Standish Reed, M.D., M.S.

P.S. For those who can do so, please send to CMF your check of encouragement thus saying, no matter what “Let us press on, the time is now!
