CANADIAN MESSAGE

AUGUST 1980

At the last meeting of the Board of Directors Mr. W.W. Walker, B.A.Sc., was appointed Manager of C.M.E. of Canada.

"Bill" as he is known by a host of friends, was born in Toronto in 1913, and received his education in that city. He is married and he and his wife "Jean" were blessed with three children.

His father's early demise in 1931 prevented him from continuing his education and over the years from that time until 1941 his prime interest was in manufacturing, with special emphasis in the sheet metal products and air conditioning industries.

In 1942 he enlisted in the Royal Canadian Air Force and served in Canada, The United Kingdom and Europe until the end of hostilities when he was discharged with the rank of Flight Lieutenant.

During the next four years he attended the Rehabilitation Institute (now Ryerson Polytechnical Institute) to obtain grade 13 standing, after which he entered the Faculty of Applied Science & Engineering, University of Toronto, and graduated in 1950 - Bachelor of Applied Science in Mechanical Engineering.

In 1950 he was sent to St. James House (H.O. London) for special training concerning Manufacturing and Distribution. Upon his return to Canada he was employed as Design and Development Engineer by Dunlop-Canada.

From 1963 to 1968 he was with the University of Toronto as Assistant Director of the Department of Alumni Affairs.

"Bill's" interests are many and varied and it would require a book to outline them. Suffice it to say his greatest concern during his adult life has been the spiritual and mental welfare of people. He devotes much of his time to Church, especially St. Margaret's Anglican Church, West Hill, Ontario, where he has occupied the positions of: Chairman, Board of Sidesmen; People's Warden; Chairman, Stewardship Committee; Co-chairman, Every Member Visititation (3 years); Lay Member Diocesan Stewardship Committee. He is also active in F.G.B.M.F. and 100 Huntley Street. "Bill" has also, since his graduation, been very active in Engineering Societies.

Having been exposed to the concept of continued education he was led to teaching in one of the newly created community colleges. From 1968 until his retirement in 1979 he was Teaching Master at George Brown College in Toronto. Being concerned with disadvantaged adults he taught mathematics, science and life skills in the Academic Upgrading Division. Quote from "Bill", "Truly the Lord was good to me since my experiences at George Brown College were memorable and very soul-satisfying."

In 1975 "Bill" and his wife, "Jean", joined the Scarborough Deanery School of Spiritual Renewal, headed by Rev. A. Reimers. By early 1976 they joined "The Team" supporting "Ai". This meant spending Monday nights in Prayer, Praise and Teaching at St. John the Divine Anglican Church, and praying and planning on Thursday nights. C.M.F. of Canada is truly blessed in having "Bill" as its Manager.

CMF OF CANADA FOURTH ANNUAL CONFERENCE

The Fourth Annual meeting of CMF of Canada will be held in Toronto, September 12 and 13, at the Hotel Triumph—the second annual "Christ Triumphant" Conference. The Chairman of the Conference, our beloved Jack MacDonald Thomson, and our new Canadian Office Manager and Publicity Chairman, Bill Walker, along with an inspired committee have made wonderful plans for the upcoming meeting—morning meditations, short business session, speakers (including Dr. Reed and Kay), opportunities to witness, healing services, seminars for doctors and nurses, banquet, and church services. Much publicity has already gone out and there is evidence that this will be a wonderful and Holy Spirit anointed meeting. Dr. Reed and Kay will be on 100 Huntley Street on September 12 at 9:30 AM to start things off. The meeting will commence after registration the evening of September 12. Physicians, nurses, clergy and anyone interested in the Healing of the Whole Person are invited to attend. Further details of the conference can be obtained by writing Jack Thomson or Bill Walker. (See Monthly Happenings for addresses.) MAKE YOUR RESERVATIONS NOW!

EIGHTH ANNUAL CONFERENCE ON LOGO-Psycho-SOMATIC MEDICINE

Plans are now well underway for the Physicians' Conference in October. This year our conference will concentrate upon disciplines in LPS Medicine which we have not covered in previous meetings. There will be an opportunity for Christian testimonies of physicians. We are arranging to have input from Oral Roberts University Medical School. Larry Samuels from Israel will be with us. When the program has been finalized it will be sent to the entire CMF physicians mailing list which is now near 3000. Please pray for our inspiration, for God's guidance, and consider helping financially so that the increasing expenses of travel can be met. We would be most pleased if we could have a large scholarship fund established allowing us to bring in foreign physicians and medical students as well as some vital clergy. Your prayers, financial help and assistance are humbly requested.

CASSETTE TAPES AVAILABLE

We have the annual Doctors' Conference meetings, 1973-1979 (catalog available), the weekly Women's Auxiliary Bible studies given by Kay Reed and by Dr. Reed, 1969 to the present (catalog available), and two series of lectures by Kay Reed, "Your Home, Christ's Sanctuary" and "The Women of the Bible." New Addition—the testimony of Robert Fierro—a wonderful tape regarding the healing of his body of multiple myeloma, given at a Phoenix, AZ, FGBMFI meeting in January, 1980. Please contact CMF of Tampa for catalogs, cassettes, or further information.

CONCERNING CANADA AND C.M.F.

What can be the possible purpose of a Canadian organization called CMF of Canada? Are there not too many such organizations existent with no appreciable benefit accruing to Canadian Newsletters? What can CMF do for Canada and Canadians?

In answer it may be stated that there is no organization in Canada which promises to effect a change in the care of sick people and the basic philosophy of those who care for the sick. In the Western World the care of the sick has been divorced from spiritual considerations. What CMF proposes to do is to offer vital non denominational Christian principles to Canadian society so that individual doctors, nurses and patients can begin to see that Christian care can be received by the sick and given by a "new breed" of doctors and nurses. Indeed this must be the thrust of the Medicine and Nursing of the future. Jesus Christ must be allowed out of the church structure and into the hospitals of Canada.
