NORTHERN LIGHTS

Dear Members of Christian Medical Foundation of Canada and Friends,

Since the sending out of the last issue of Northern Lights and the Christian Medical Foundation Newsletter "Progress Notes," CMF of Canada for various reasons has elected to cancel the projected meeting on "An Aging Society" in the Toronto area. In conjunction with the projected annual meeting Kay and I had planned to visit Belleville, Ontario to conduct a mission there. Consequent to all of this it has been elected that Christian Medical Foundation International will hold its meeting in Belleville beginning Thursday evening, September 20 and going through Sunday morning, September 23. The meetings will be held at St. Margaret's on the Hill Anglican Church in Belleville, Ontario and at the Lecture Theater in the Cavell Block adjacent to Belleville General Hospital. The Thursday evening meeting will be a time of fellowship and prayer at the Ramada Inn; an opportunity to meet with one another and to have a time of inspiration and camaraderie open to everyone.

On Sunday evening at 7:00 p.m. Kay and I will be speaking at St. Clement's Eglinton. The meeting in Eglinton will be a healing service in conjunction with the Order of St. Luke.

The meeting in Belleville is open to physicians, nurses and all who are interested in the Healing of the Whole Person. Members of the Order of St. Luke and Camps Farthest Out, as well as, those who are members of the Ashram Movement are cordially invited to attend. The meeting will be interdenominational.

As Mrs. Reed and I go to Belleville, it is of interest that the Reed family in the late 1700's moved to the Belleville area from New York State becoming a part of the Presbyterian and the Scottish community there. My great grandfather was a practicing physician at one time in Madoc which is a community near Belleville.

Dr. Stephen King and his wife Judy were born and raised and educated in Toronto. Dr. and Mrs. King served on the mission field in northern Alberta serving as general practitioners to a very needy community in the far north. Subsequent to this Dr. King was educated in psychiatry and is a part of the staff, as is Mrs. King, at Pine Rest Psychiatric Hospital near Grand Rapids, Michigan. Dr. and Mrs. King have been used in many situations ministering to families and to a multitude of people with psycho-spiritual, and family needs.

Dr. George Kaufman is a Jewish Christian believer who has practiced internal medicine for many years and who is well-known in Canada and in the United States for his strong witness. He is also known for his knowledge and ability not only in things medical but also in the Judeo-Christian aspect of life and practice, particularly in
his belief in Jesus as Messiah and healer of the whole person.

Please pray for the mission in Belleville and the meeting on Sunday evening in Eglinton. You may make your reservations direct with the Ramada Inn in Belleville by calling (613) 968-3411. Rooms have been blocked off until August 22. A double room will cost $80.00 plus tax, a single room $73.00 plus tax. At the Best Western Motel (613) 969-1112 rates there are $64.50 and $56.18. At the Queen's Motor Inn (613) 966-1211 located only minutes from the Hospital and near St. Margaret's; a double room is $51.15, single $41.60.

You can make your reservation for the meeting by calling Lyn Thornton at (813) 932-3688. Our contact person in Belleville is Elaine McLintock, % The Anchorage, 2 South Front Street, Suite 207, Belleville, Ontario K8N 5K7.

This will be an opportunity for everyone interested to hear those who have been leaders in the healing and the whole person medical movement in the United States and Canada over the past thirty years. It is a most unusual opportunity to visit a lovely Canadian City at a beautiful time of year; an opportunity to pray together, to praise together, and to bring healing to those who need hope and the healing love of the Lord Jesus Christ through His people. In contrast to previous Canadian meetings in recent years this meeting will be open to everyone, not simply to physicians, and it will be an opportunity on the truly ecumenical level for everyone interested to draw close to the Lord Jesus Christ, to experience the power and the anointing of His love and His virtue.

Faithfully in Jesus Christ,

[Signature]

William Standish Reed, M.D.
