NORTHERN LIGHTS-KINGDOM NOTES

Light is streaming out from the North toward the United States and unto the whole world. The 100 Huntley Street broadcast has remained solid and true and continues to lift up Our Lord and Savior Jesus Christ. Imagine what impact Christian TV would be having if all of our U.S. television ministries were having the impact they had in the early eighties. There is a lesson to be learned here. One little mistake (or two or three) and down we go! All Achan did was to take a beautiful Babylonian tapestry and some silver and gold from Jericho. But this act caused defeat at Ai and the death of Achan and his family. "The wages of sin is death" (Romans 6:23) We must remember this truth. God continues to bless David Mainse and his work and all works which exalt Jesus royally. CMF of Canada through the efforts of Mr. and Mrs. David McIntosh of Belleville and a wonderful group of physicians, nurses and ministers as well as laymen had a fantastic meeting in Belleville, Ontario April 11-14 of this year. The Sir William Osler award this year was given to an outstanding Canadian pediatrician, Edith Peterkin, M.D. Dr. Douglas McIntosh presented the award and was assisted by Dr. Arthur Mustard, Dr. William Shipley and Dr. Mirajh Miraco.

Please write to us for tapes c/o CMF in Tampa. Outstanding talks were given by Dr. J. Lawton Smith, "The Ocular Manifestation of Spirochetal Disease," Dr. John Merriman, "Cardiovascular Integrity," Dr. William Shipley, "Life Isn't Fair," Dr. Robert Aikman, "Teaching Obstetrics," and Dr. George Kaufman, "Jewish Medical Ethics." I spoke on "Recapturing the Art of Medicine." Mary Haig's talk on divorce and bereavement was very helpful.

Think of it, 100 Huntley Street, John Wesley White, CMF of Canada, The Prairie Bible Institute, CFO, Ashram, and the Order of St. Luke all in Canada doing great and wonderful things for the cause of Christ! As David said in the face of defeat by Goliath and the Philistines, "Is there not a cause?" (1 Samuel 17:29) There is a cause - and a victory - and we are in it. It is a cause of Light - and Joy - as well as wonderful Peace. Shower down thy goodly Light upon us all O Canada, O Christian Canada!

Dr. Reed will be appearing on 100 Huntley Street September 9-12 with David Mainse. Please pray that this will be a time of great blessing. Great and thankful messages of love and gratitude go with this letter to David and Elaine Mc Lintock of Belleville, Elaine and Doug Preston, Dr. Arthur and Linda Mustard, Dr. Douglas and Catherine Mc Intosh, Dr. Edith Peterkin, Dr. Bruce and Sylvia Cronk, Reverend Donald Crisp, Glenn and Cherry Shaver, Reverend James Clark and Denny Clark, Ken and Ruth Black and many others who made our Belleville, Ontario meeting a great success this year. We also thank our wonderful speakers and Larry Marshall who led the singing. Marg Gourley and her friends and nurses were a great blessing again this year.

To the board of CMF of Canada I send my deepest gratitude for years of faithful service and prayers. We miss Dr. Rod Davison, Jack Thomson and Jack Roberts more than words can convey. Dr. Don Denmark, Dr. Goeff Secord, Dr. Pete Rae, Dr. David Hurst, Dr. Tom Bryan, Dr. Judith McBride, and Dr. Roman Buchok, truly deserve our profound thanks. This is also true of the Laybourns, the Hughes, Bill and Jean Walker, Carol Winstanley and Margaret Perkins. Kay and I will be in Fredericton, New Brunswick in early August with Bryon and Miriam Phillips. We will then go with them to PEI and hopefully will see many friends in both places. We will be with Dr. Bob Sholl at Biddeford, Maine August 2-4 for a conference at Wellspring.
